Ref: FCC Modular approval letter for FCC ID: 2ANPO00NRF9160

To whom it may concern:

The following attestation addresses the fourth requirements to support modular approval:

- This device is designed for portable operation; portable operation is subject to a Class 2 permissive change application or to a new and separate FCC ID.
- The maximum antenna gain is limited to **6 dBi** for the LTE band 4 frequency band and **6.9 dBi** for LTE band 13 frequency band, as calculated in the RF exposure exhibit.
- The product has a FCC ID label on the device itself. Also, the OEM host end product manufacturer will be informed to display a label referring to the enclosed module. The exterior label will read as follows: "Contains Transmitter Module FCC ID: 2ANPO00NRF9160" or "Contains FCC ID: 2ANPO00NRF9160".
- We request to include in the grant the following words in the device description or grant notes: "modular transmitter" or "transmitter module".

If there are any additional questions or if further information is needed, please contact us.

Sincerely,

A handwritten signature in blue ink, with the initials 'P.A.' written above it.
