Columbia, MD 21046

Ref: Request for dismissal FCC ID: 2ANPO00NRF9160

To whom it may concern:

We, *Nordic Semiconductor ASA*, hereby request the dismissal of the TNB, CXX and JAB grants of the device with **FCC ID: 2ANPO00NRF9160** which were issued in December, 5th 2018 due to the reasons stated below:

1. Device approval was a prototype with a limited functionalities and supported bands.
2. Current version has been updated by FW change, increasing the supported bands to include LTE FDD2. Due to this change, the equipment class will change from TNB to PCB.
3. The device with FCC ID: 2ANPO00NRF9160 approved in December, 5th 2018 has not been sold in USA nor anywhere in the world.

For these reasons, we will propose the FCC Certification as a new application with the same FCC identifier.

If you have any questions or comments concerning the above, please contact us.

Sincerely,

A handwritten signature in blue ink, appearing to read 'P.A.' followed by a stylized signature.
