

48x108.5

Model:	NRS1i01
Weighing Range:	110 Lb
Resolution:	0.1 oz
Accuracy:	0.05%
Power:	4xAA
Platform Size:	8.25"×10.2"
Serial NO.	

FCC ID: 2ANTN0001
IC: 23361-0001

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:(1) this device may not cause harmful interference,and (2) this device must accept any interference received, including interference that may cause undesired operation.

Wireless Refrigerant Scale

48x108.5

Model:	NRS2i01
Weighing Range:	220 Lb
Resolution:	0.2 oz
Accuracy:	0.05%
Power:	4xAA
Platform Size:	8.25"×10.2"
Serial NO.	

FCC ID: 2ANTN0001
IC: 23361-0001

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:(1) this device may not cause harmful interference,and (2) this device must accept any interference received, including interference that may cause undesired operation.

Wireless Refrigerant Scale

140x56

Model:	NRS3i01
Weighing Range:	265 Lb
Resolution:	0.3 oz
Accuracy:	0.05%
Power:	4xAA
Platform Size:	10.6"×12.6"
Serial NO.	

FCC ID: 2ANTN0001
IC: 23361-0001

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:(1) this device may not cause harmful interference,and (2) this device must accept any interference received, including interference that may cause undesired operation.
