

CETECOM

Im Teelbruch 116
45219 Essen - Germany

TO WHOM IT MAY CONCERN

IC: 23343

Düsseldorf, 08. Dez. 2017

We the undersigned, hereby declare that the typical usage of the Y-CHARGE-IT is that the board is connected to a PC and the operator works on the PC. Thus the operator keeps a distance to the evaluation kit of 20cm or more.

Sincerely,

i. A.
