

Date: November 28, 2018

TUV SUD BAST TCB  
Octagon House,  
Segensworth Road,  
Fareham,  
Hampshire,  
P015 5RL

**Model Difference**

**FCC ID: 2ANX6-SG9001-2**

To whom it may concern,

The submitted modules SG9001 and SG9001 have the following differences:

**Model Description:**

SG9001: USB host interface

SG9002: UART host interface

All other aspects of the two modules are identical including RF front end, modulator/demodulator, RF processor, and control microcontroller.

Sincerely,

*Michael Ferris*
