Gentlemen,

**E.M.S. Electro Medical Systems S.A.** requests, pursuant to 47CFR 0.459, post grant confidentiality for portions of the material contained in this application.

**LONG-TERM CONFIDENTIALITY:**

The following document regarding this submission for FCC ID: **2ANZC-GRDLNBPVME0** shall be kept confidential:

- |   |   |
|---|---|
| 1. Schematic Diagram of the equipment         | (file: <i>Schematic - 2ANZC-GRDLNBPVME0.pdf</i> )               |
| 2. Block Diagram description of the equipment | (file: <i>Block Diagram - 2ANZC-GRDLNBPVME0.pdf</i> )           |
| 3. Operational Description of the equipment   | (file: <i>Operational Description - 2ANZC-GRDLNBPVME0.pdf</i> ) |

Specifically, these exhibits contain information relating to circuit function and complexity that could be of benefit to competitors. The material contains trade secrets and confidential information that **E.M.S. Electro Medical Systems S.A.** does not customarily release to the public and which is otherwise not generally available to the public.

**SHORT-TERM CONFIDENTIALITY requested for 180 days:**

In addition to the above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, **E.M.S. Electro Medical System S.A.** requests that the commission withholds the following documents from public viewing for one hundred eighty days after the date the grant of equipment authorization is issued:

- |                                       |   |
|---------------------------------------|---|
| 4. External Photos of the equipment   | (file: <i>External Photos - 2ANZC-GRDLNBPVME0.pdf</i> )   |
| 5. Test Setup Photos of the equipment | (file: <i>Test Setup Photos - 2ANZC-GRDLNBPVME0.pdf</i> ) |
| 6. Internal Photos of the equipment   | (file: <i>Internal Photos - 2ANZC-GRDLNBPVME0.pdf</i> )   |
| 7. User Manual of the equipment       | (file: <i>User Manual - 2ANZC-GRDLNBPVME0.pdf</i> )       |

These documents reveal technical and design information that has not been publicly disclosed in marketing materials and is protected by **E.M.S. Electro Medical System S.A.** as confidential and proprietary trade secrets. This information has been disclosed to those required to maintain its confidentiality, and is not customarily disclosed publicly prior to the commercial release of the device. As a result, disclosure of this information by the Commission prior to commercial release would harm **E.M.S. Electro Medical System S.A.** by giving competitors an unfair market advantage. **E.M.S. Electro Medical System S.A.** believes the period of confidentiality requested is necessary to protect the information until the commercial release of the device.
