Label Drawing and Photo

Rendering

Below is a rendering of the R13 device label top and R13L label middle, and R13S label on the bottom. They are all 2" (W) x 1" (H).

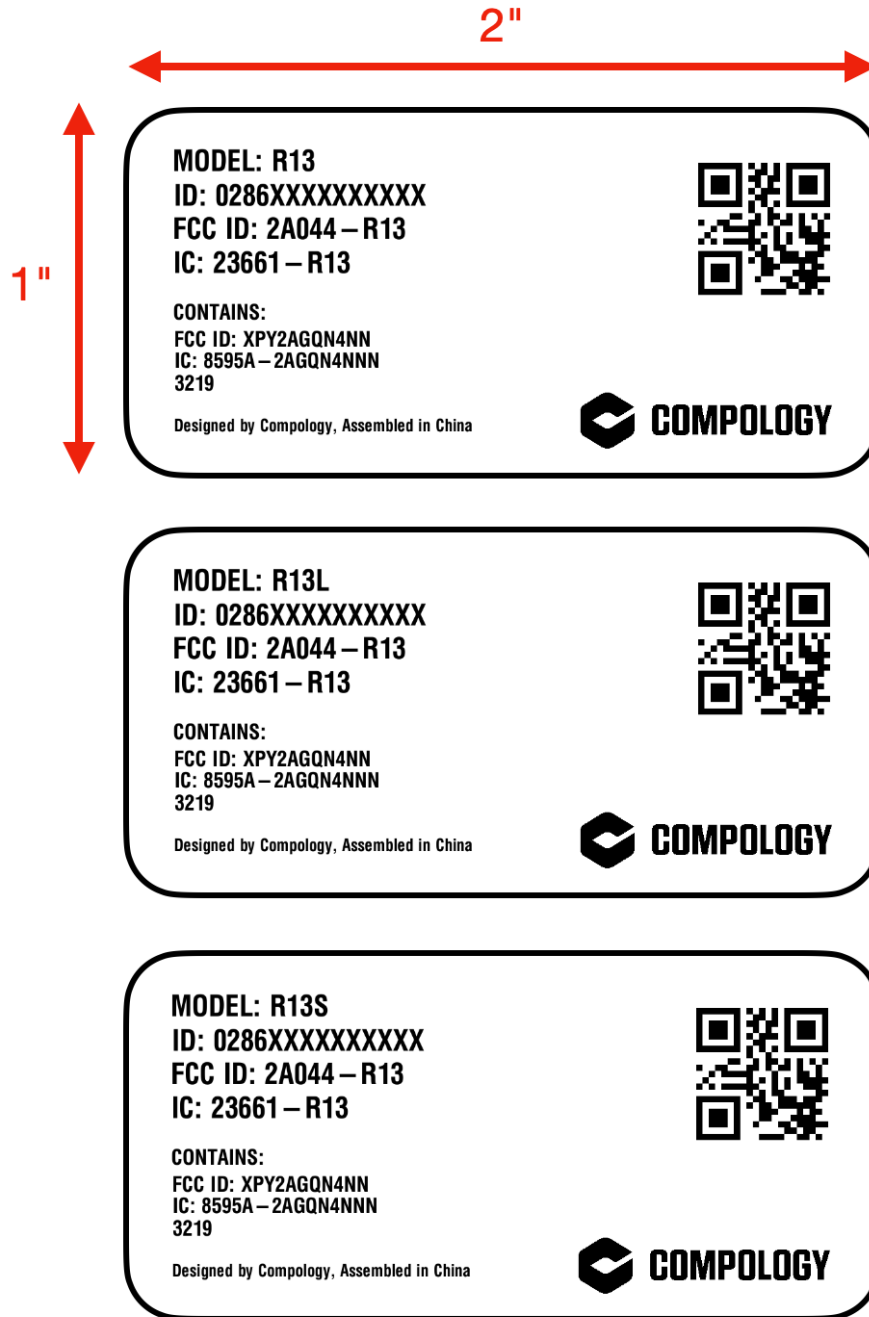

Figure 1. Rendering of R13, R13L, and R13S labels.

Placement

The label is placed on the bottom of the device. It is printed on a white label with black text, which provides high contrast against the black plastic.
