FCC Warning
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference
received, including interference that may cause undesired operation. Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate
radio frequency energy and, if not installed and used in accordance with the instructions, may cause
harmful interference to radio communications. However, there is no guarantee that interference will not
occur in a particular installation. If this equipment does cause harmful interference to radio or television
reception, which can be determined by turning the equipment off and on, the user is encouraged to try to
correct the interference by one or more of the following measures: -Reorient or relocate the receiving antenna. -Increase the separation between the equipment and receiver. -Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. -Consult the dealer or an experienced radio/TV technician for help. This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

SOUND-FX
LED BLUETOOTH® GAMING SOUNDBAR
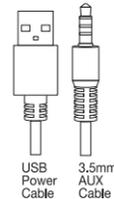

USER'S MANUAL:
MI-S501B

Includes:
• Gaming Speaker
• USB Power Cable
• 3.5mm AUX Cable
• User Manual

Important! Please read before using this product

INSIDE

USB Power Cable   3.5mm AUX Cable

Power On:
Before you can use your SOUND-FX LED Bluetooth® Gaming Soundbar, you must plug the attached UBS power cable into a powered USB port on your PC, powerbank, or USB AC Power Adapter. The soundbar will automatically power on and enter Bluetooth® pairing mode the first time you use the soundbar. If you have previously paired the soundbar with a Bluetooth® enabled device, the soundbar will automatically pair with that device if within the Bluetooth® operating range of the soundbar.

Bluetooth® Pairing Instruction:
Open Bluetooth® settings on the device that needs to be paired, choose "MERKURY S501B" to pair. The speaker will emit a tone when pairing is successful

Wired Mode:
To use USB wired mode, plug both the USB power cable and 3.5mm Auxiliary Audio cable into your compatible gaming device or external audio source

Reconnect to Bluetooth®
• You only need to pair your Bluetooth® device with the speaker once.

• With your previously paired device's Bluetooth® turned on and in range, power on the speaker.

• The speaker will automatically reconnect to the last Bluetooth® device it was connected to.

• If you have a previously paired device that does not auto-reconnect, navigate to the Bluetooth® settings menu on your device, turn on the Bluetooth® feature, and select "Merkury S501B" from your list of paired Bluetooth® devices and select "Forget." Repeat Bluetooth® pairing instructions steps stated above.

Troubleshooting

Music is not playing over Bluetooth	Make sure your Bluetooth device has A2DP profile. Check if both devices are paired and connected over Bluetooth. Restart the speaker to reconnect your Bluetooth device.
Bluetooth device will not reconnect with the speaker	Navigate to your Bluetooth settings menu on your Bluetooth device, tap "MERKURY S501B," and select "Forget." Now follow the steps to pair your device again.

SPECIFICATIONS:
• Bluetooth® Version: 5.0
• Bluetooth® Range: Up to 10m
• Charging Voltage: DC 5V
• Freq. Response: 300Hz-20KHz
• Charging Port: USB

SPEAKER SIZE:
12.99"W x 2.28"H x 2.95"D
