### Clear pairing records and reset speaker

05

Press "⊗" for 5s, all pairing records will be cleared.  
In case you face any difficulties with your product, simply insert an insulated pointed object (eg-toothpick) inside the reset key to restart & reboot your device.

### Charging and connect outside audio

06

We do not recommend using a USB charging device that is not 5V DC output.  
To preserve battery lifespan, fully charge at least once every 45 days.

<p style="text-align: center;"><b>WARNING</b></p> <p>Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</p> <p>NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.</p> <p>However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> <li>• Reorient or relocate the receiving antenna.</li> <li>• Increase the separation between the equipment and receiver.</li> <li>• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</li> <li>• Consult the dealer or an experienced radio/TV technician for help.</li> </ul> <p>This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:</p> <p>(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p>Need help? We're here for you every day from 7 a.m. – 9 p.m. CST.
