Subject: Long Term Confidentiality Request Letter

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the

Schematics
Block Diagrams
Operational Description

required to be submitted with this application be permanently withheld from public review.

The above material contains trade secrets not customarily released to public that are judged to have the potential to cause detriment to the applicant and provide unjustified benefits to its competitors. This information should not be available for public disclosure for an indefinite period of time.

Please contact me if there is any information you may need.

Sincerely,

Thomas Reitz
