

**To whom it may concern**

Date: 07/20/2018

Dear Sir or Madam,

We (ABB Inc.) herewith state, that the following statements will be included in the User Manuals provided with each product prior to shipping product. Furthermore, these statements shall be provided in a French translated document prior to shipping product to Canada.

**Statement 1**

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

**Statement 2**

This equipment complies with the FCC RF radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20 centimeters between the radiator and your body.

This refers to the following products to be launched in 2018:

LS-1.1-WH	Light Switch (white)
LS-1.1-LA	Light Switch (light almond)
DS-3.1-WH	Dimmer Switch, 2-wire (white)
