E-labeling on HUB01 screen
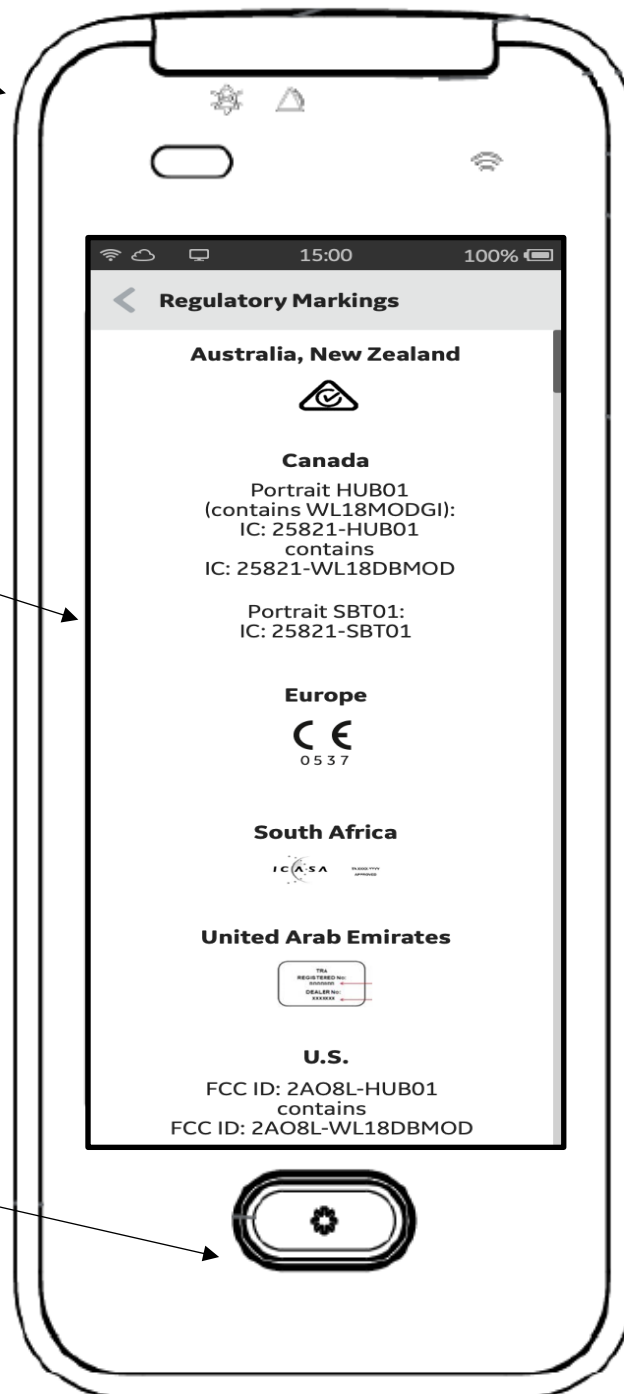

The "FCC ID: 2AO8L-HUB01 contains FCC ID: 2AO8L-WL18DBMOD" text is included in the Portrait Mobile Patient Monitor HUB01 e-labeling as presented in the figure below. The e-labeling is visible for an end user via the following steps:

- Press the physical HUB01 "star button"
- → Choose "Regulatory Markings" from the HUB01 touch screen GUI
- → "Regulatory Markings" page (below) opens to the HUB01 screen
