SUBJECT: Antenna professional installation for FCC ID: 2AO9X-UIO0421BC02

To Whom It May Concern:

We, Outform Science and Technology Ltd., declare on our sole responsibility for the product of FCC ID: 2AO9X-UIO0421BC02, that the antenna must be installed by a professional installer.

According to § 15.203 compliance demonstration, the antenna should be permanently attached / unique (non-standard) antenna connector or professional installation. In this application, the antenna is sold with the device as a package, and not sold via retail to the general public or by mail order but authorized dealers or installers only.

In addition, when installed the device, it needs to enter a password or run a specific program before using.

Therefore, the antenna in the package is only suitable for this device with professional installation.

If you have any questions regarding this application, please feel free to contact me.

Sincerely,

Guy Siegel / GM
