Sweden

Confidentiality request for:

Product name: Smart Box Link with FCC ID 2A0FP-200612

To whom it may concern:

This letter serves as an official request for confidentiality under FCC Rule, 47 CFR Part 0. Subpart C (Specific rule part §0.459).

We have requested that the following attachments:

- Schematics
- Circuit Description
- Operational Description
- Parts lists

required to be submitted with this application are to be withheld from public review.

These documents contain detailed system and equipment description and related information about the product which Anticimex Innovation Centre A/S considers being proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Anticimex Innovation Centre A/S considers that information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Please contact me if there is any information you need.

Sincerely,

Signature of contact person registered with FCC

Kim Jemail, Project Leader
on behalf of Teis Frantzen, Quality Manager
