

Anticimex Smart Eye

Smart Eye is a small sensor that detects and reports movement. Thanks to its tiny size it is often placed in narrow spaces typically favoured by rodents.

The product has two functions, one as a monitoring device and one as a range extender. It is primarily used as a monitoring device to detect rodent activity. Used in this way it is ideal for, server rooms, cable runs, electrical cabinets, ceiling, voids or food and sensitive equipment stores or other areas that are only inspected with difficulty or infrequently. As a range extender, it duplicates and forwards a signal between other Smart Connect devices that are otherwise outside the range of the Smart Connect.

Anticimex Smart

Anticimex Smart is an intelligent system that keeps an eye on things you do not want to see. By constantly monitoring and instantly reacting, it prevents costly infestations in an environmentally-friendly way. Add the services traditionally provided by us, and you will get a solution that gives you the best of two worlds – automation and expertise.

1 – A rodent passes through the product.

2 – The sensor is activated and sends data.

3 – The rodent has left a trail for us to act on.

Smart Eye

Controls	Electronic wireless control with 920 MHz. Data transmission to Smart Connect.
Installation	Can be placed both outside and inside buildings, as a monitoring device, for example, along the buildings, warehouses, attics, under shelves or on shelves, in cable trays, cabinets and kitchens. Can be used as a repeater for other Smart Connect devices. Can be mounted in bait stations to record activity or catch.
Power supply	4 pcs. lithium 3,6V AA batteries.
Battery capacity	Minimum 12 months
Plastic material	PP plastic material
IP classification	IP 44
Dimensions	L 127 / W 73 / H 72 mm
Weight	0,2 kg
Equipment	Drill bit required (concrete): Ø 5 mm, If mounted on a bait stations: Hollow drill Ø 36mm.
Article no.	300 201
Accessories	200 940 Key 300 900 Smart Eye corner mount 300 901 Smart Eye wall mount 300 902 Smart Eye mouse adapter 300 101 Smart Connect 4 pcs. lithium 3,6V AA batteries Bait Installation equipment
