

Declaration Letter

Hereby, we, Thundercomm Technology Co., Ltd, We declare that for model TurboX C404 (original FCC ID: 2AOHHTURBOXC404), apply for a renew certificate, Made the following changes:

1. The Bluetooth function in the original ANT1 antenna port was changed to the ANT3 antenna port through software, and a new BT antenna was provided on the ANT3 port. The antenna gain is smaller than that of the original ANT1 port, and the antenna type is the same.
2. The back of the prototype PCB is optimized for heat dissipation, and some windows are added to the large area ground on the surface of the PCB.
3. Modify FCC ID number, new FCC ID is 2AOHH-TURBOXC404.

Except for the differences shown above, the other parts are the same as before. Their electrical circuit design, layout, components used and internal wiring are identical. No other changes.

We have retested all BT conducted test items, verified worst case of Restricted Frequency Bands and Radiated Emission. Please refer to the lab test results accordingly.

Please be noticed.
