

FCC ID Label Location

The product does not have enough space to place the label, and FCC ID label is reflected in the user manual and package, as below:

The image shows a blue product label with various certification logos and text. At the top left is the PS E logo for Anker Japan. Next to it is a recycling symbol with the Japanese character '紙' (paper) and '外箱' (outer box). To the right is another recycling symbol with 'フック・トレー' (hook/tray) and '外袋・内袋' (outer/inner bags). Further right is the SGS Energy Efficiency logo. On the far right is the Bluetooth logo. Below these are the CE mark, a recycling symbol, and a crossed-out trash can symbol. Text on the label includes 'Left Earbud (A3926L) FCC ID: 2AOKB-A3926L' and 'Right Earbud (A3926R) FCC ID: 2AOKB-A3926R'. The bottom section contains the model number 'A3926 / A3926L / A3926R', copyright information for Anker Innovations Limited, and contact details for customer service in the US and UK, along with the website 'www.soundcore.com'. Two large white rectangular areas on the right side of the label are blank.
