

SUPPORT

Please visit www.soundcore.com/support for more information.

1 APP

Download the Soundcore app to enhance your experience. (Available on the App Store and Google Play.)

2 WEARING

Choose the Ear Type for your ear type and take a break in the Soundcore app to prevent your ear from getting too hot.

3 CHARGING

Fully charge the earbuds and the USB-C charging case before using. The charging indicator on the charging case will show you the battery level.

4 POWERING ON & PAIRING

Open the charging case, the earbuds will automatically power on and enter Bluetooth pairing mode. (The LED indicator will flash red and blue.)

5 MULTIPOINT CONNECTION

The earbuds can connect to two devices at the same time. Open the Soundcore app to manage the connection. (The earbuds will automatically connect to the last connected device when you turn them on.)

6 MANUAL PAIRING

To manually pair the earbuds, please follow the instructions in the charging case.

7 CONTROLS

Use the touch controls on the earbuds to manage your music, calls, and voice assistant. (The earbuds will automatically connect to the last connected device when you turn them on.)
