Request of Class II Permissive Change

**Company name: Anker Innovations Limited**

**FCC ID: 2AOKB-T8591**

**FCC Part 15 Certification**

Gentlemen,

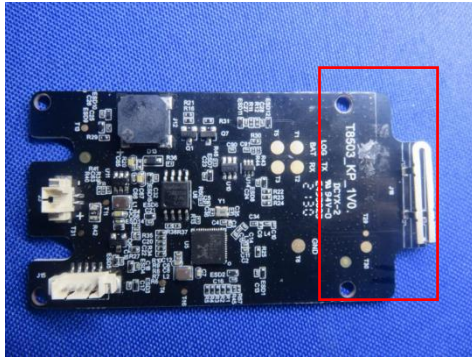

This is to request a Class II Permissive Change for FCC ID: **2AOKB-T8591** originally granted on 08/27/2021

Remark: This is a Class II application of the device, the difference between the original device and current one described as following:

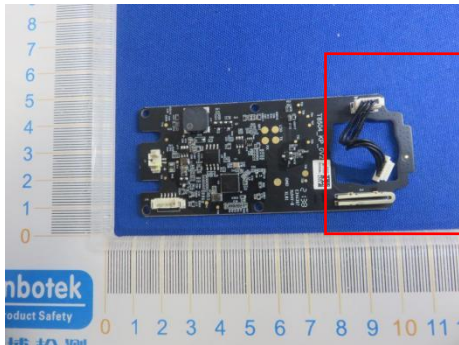

- (1) Changing the Product Name to "eufy Security Smart Lock R20".
- (2) Product function only adds fingerprint recognition and only changing the PCB layout and shape for this part.
- (3) Changing the antenna position, and change the antenna gain to 1.82 dBi.

The changes are not related with the other RF parameters, only spurious emission were retested, the conducted power quotes the data of the original report 18220WC10182601.

## Original chip

## Update chip
