## Specification

|                                                                                    |      |            |              |          |
|------------------------------------------------------------------------------------|------|------------|--------------|----------|
| Product Model                                                                      | C962 | 版本<br>REV: | 客户 T<br>客户料号 |          |
| 一、尺寸 DIMENSION(MM)                                                                 |      |            |              |          |
|  |      |            | A            | 7.0±0.3  |
|                                                                                    |      |            | B            | 20.6±0.5 |
|                                                                                    |      |            | C            | 9±0.5    |
|                                                                                    |      |            | D            | 19±0.5   |
|                                                                                    |      |            | E            | 0.7±0.1  |
|                                                                                    |      |            | F            | 1.5±0.5  |
|                                                                                    |      |            | G            | 3.8±0.5  |
|                                                                                    |      |            | H            | 0.1±0.05 |
|                                                                                    |      |            |              |          |
| E                                                                                  | F    | G          | H            |          |
| 线圈                                                                                 | 隔磁片  | 磁铁         | PET 背胶       |          |

二、绕线参数 Winding Specification:

|               |              |                           |
|---------------|--------------|---------------------------|
| 线 材<br>Wire   | 圈 数<br>Turns | 绕线方向<br>Winding Direction |
| 尺寸 0.4*0.7 MM | 9 TS         | 反绕                        |

四、电气特性 ELECTRICAL CHARACTERISTICS:

温度 TEMPERATURE:25±10℃,湿度 RELATIVE HUMIDITY :65±20%

|            |                     |                        |                         |
|------------|---------------------|------------------------|-------------------------|
| 项目<br>TIEM | 标准<br>SPECIFICATION | 测试条件<br>TEST FREQUENCY | 测试仪器<br>TEST EQUIPMENTS |
| IND        | 6.4UH±10%           | 100 KHZ/1.0V           | LCZ METER 1062B         |
| DCR        | 50mΩ Max            |                        | LCZ METER 1062B         |
