Label Location

The diagram illustrates the physical layout of the HOTWAV T7 smartphone. It includes three views: a top view showing the side profile, a front view showing the screen and bottom ports, and a back view showing the camera system and branding. Labels with leader lines identify the following components: 'Flash lamp' (top left of the back camera), 'Auxiliary Camera' (top right of the back camera), 'Main Camera' (center of the back camera), 'Type-C Port' (bottom center of the front view), 'Main Microphone Hole' (bottom left of the front view), and 'Speaker Holes' (bottom right of the front view). A red box on the back view indicates the 'Label Location' on the upper half of the back cover.
