POWER ON AND PAIRING

- Before Using**

Please charge your T1 before use. Simply take the earbuds out of the charging case and insert them into your ears. The earbuds will automatically power on and become ready to pair to your device.

The MIUONO T1 earbuds are rated IPX4 Waterproof ensures your bluetooth earbuds meet your active lifestyle needs.
- Power On and Pairing**

T1 earbuds will automatically turn on whenever removed from the charging case.

A. "power on" prompt will be heard through the earbud within the first few seconds of wearing.
B. "pairing" prompt will be heard through the earbud if the previously paired device is not found.

LISTENING TO MUSIC

- Once paired, open a music app on your device to Play/Pause music, adjust Next song/Previous song.
- You can Play/Pause your music by simply press the button of either earbud once.

HANDS-FREE CALLING

- Follow the instructions below to answer/reject calls.

- Answer Call**
- Reject Call**

CHARGING

- To charge your earbuds**
Place both earbuds into the charging case whenever not using. Make sure to keep the lid closed.
- To charge your case**
With the provided Type-C Cable, plug the Type-C port into the charging port located on the backside of the charging case. Then plug the USB side of the Type-C Cable into a standard USB Charger or port.

BATTERY LIFE

The T1 earbuds will provide a playtime of 20 hours. Get up to 7 hours on a single charge and an additional 13 hours from the included charging case. For a quick charge, place both earbuds back into the charging case for 20 minutes and get 2 hours of listening time.

	Earbud	Charging Case
Listening Time	7 hrs**	14 hrs
Charging Time	1.5 hrs	1.5 hrs
Talk Time charged for 20 minutes	5 hrs	10 hrs

** Listening time measured on a single charge at an 70% volume level

- Power Off the Earbuds**
To power off the earbuds, place both earbuds into the charging case and close the lid.
Please hold the press area of either earbuds for 5 seconds to power off the earbuds without the charging case; a "power off" prompt will be heard. Please make sure that all music/audio is paused before powering off.
- Auto Power Off**
To conserve battery, the earbuds will automatically power off when it's out of range from your device for more than 5 minutes.

FAQ (FREQUENTLY ASKED QUESTIONS)

- How can I power on/off the T1?**
The earbuds will automatically power on when removed from the charging case and power off when placed back into the charging case. Whenever the charging case isn't near the earbuds, hold the press area of both earbuds for 2s to Power on and hold the press area of either earbud for 5s to Power off.
- How can I play/pause music?**
Simply press the button area of either earbud to Play/Pause music.
- How can I receive/reject calls?**
Press once the button either earbud to receive phone calls. Press hold for 2s to reject calls.
- What will affect the total playtime?**
Playtime will vary by the volume level, type of audio and connection status.

WHAT'S INCLUDED

Earbuds
Control button
Status LED

Type-C charging cable

User manual

3 sizes ear tips*

* Medium size ear tips are pre-mounted on the earbuds.

Charging case

Battery Level LED

Type-C charging port

- Wear Earbuds**
Both earbuds are marked with a L or R to indicate the appropriate ear side; earbuds are differently angled to fit either the left or the right ear. The proper fit will ensure the best sound quality. Insert the earbud into your ear and rotate slightly clockwise (as shown in image below); adjust for comfort.

- Turn on Bluetooth on your device**

a. Go to Settings > Bluetooth.

iOS

Android

b. Turn on Bluetooth.

c. Scan for and select "MIUONO T1".

d. Wait for successful pairing

- Music Control**
You can skip tracks by double pressing the button of the earbuds. The Right earbud will skip to the next track and the Left earbud will skip to the previous track.

SIRI & GOOGLE ASSISTANT VOICE CONTROL

- To activate Siri with the T1, triple press the button area of either the Right or Left earbud.

Note: Availability of Google Assistant voice control features will vary by different Android Phone models. Button area is located directly on the center of the earbud.

- Checking the Battery Level**

A. Earbuds

 - Earbud LEDs will indicate charge status while being charged in the case
 - When fully charged, earbud LEDs will be turned off

B. Charging case

 - LED will indicate the Battery level of the case whenever connected to a charger
 - All LEDs will be lit when charging is complete
 - LED will display the battery level of the case for 4 seconds when the earbuds are placed back in the case

POWER ON/OFF

- Power On the Earbuds**
The earbuds will automatically power on and connect to the previously paired device whenever taken out of the charging case.

To power on the earbuds without the charging case, hold the Press area of both earbuds for 2 seconds until a "Power on" prompt is heard.

TROUBLESHOOTING

Place both earbuds into the charging case and leave the lid closed, take earbuds out of charging case after 15 seconds. This simple trick will resolve most problems which include but isn't limited to L/R channel disconnection or pairing/connectivity issues with devices.
