# Pairing Your Olive Remote & Olive Device

> ※ **Important: Please read before use!**
> · Before pairing the remote control to your Olive device, **wear both left and right earbuds** in your ears.

For iPhone users, go to **My Olive app > Settings > Connect Remote** to disconnect the device.

Slide the **1 Lock/Unlock Switch** at the bottom of the Olive Remote right to unlock.

Press and hold the **2 Pairing Button** for 2 seconds. The Status LED should flash quickly and then turn solid.

If the **3 Status LED** stays solidly lit for more than 2 seconds, the Olive Remote and Olive device are successfully paired.
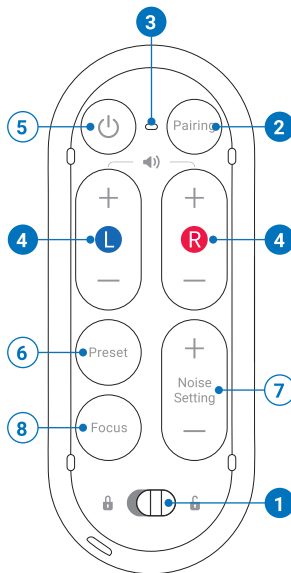

If the **3 Status LED** does not stay lit for longer than 2 seconds, please try again from **2 Pairing Button** step.

Test the pairing by wearing the earbuds and adjusting the sound with the **4 Volume Button** on the Olive Remote.

Olive Remote
EASY CONTROL ANYTIME, ANYWHERE

※ Compatible with all Olive Union devices.

How to Use the Olive Remote

1 Lock/Unlock Switch
Toggle the Lock/Unlock Switch to prevent accidental changes.

2 Pairing Button
Press the button for 2 seconds to connect or disconnect the Olive Remote from your Olive earbuds.

3 Status LED
