

MODEL: 8405

**FitRx PRO**  
PRECISION MULTI-ANGLE MASSAGER  
MODEL: 8405 | BATTERY: LI-ION 2000 MAH | RATED INPUT VOLTAGE: 5V  
RATED INPUT CURRENT: 2A | SPEED: 1200 - 3200RPM  
MADE IN CHINA | S/N: XXXXXXXXXX

       

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with part 15 of the FCC Rules and Industry Canada license-exempt RSS standard (s). Operation is subject to the following two conditions:  
(1) This device may not cause harmful interference, and  
(2) This device must accept any interference received, including interference that may cause undesired operation. FCC ID: 2A0N7-7610

MODEL: 7610

**FitRx PRO**  
PRECISION MULTI-ANGLE MASSAGER  
MODEL: 7610 | BATTERY: LI-ION 2000 MAH | RATED INPUT VOLTAGE: 5V  
RATED INPUT CURRENT: 2A | SPEED: 1200 - 3200RPM  
MADE IN CHINA | S/N: XXXXXXXXXX

       

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with part 15 of the FCC Rules and Industry Canada license-exempt RSS standard (s). Operation is subject to the following two conditions:

(2) This device must accept any interference received, including interference that may cause undesired operation.  
FCC ID: 2A0N7-7610

MODEL: 8152

**FitRx PRO**  
**PRECISION MULTI-ANGLE MASSAGER**  
 MODEL:8152 | BATTERY: LI-ION 2000 MAH | RATED INPUT VOLTAGE: 5V  
 RATED INPUT CURRENT: 2A | SPEED: 1200 - 3200RPM  
 MADE IN CHINA | S/N: XXXXXXXXXX

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with part 15 of the FCC Rules and Industry Canada license-exempt RSS standard (s). Operation is subject to the following two conditions:  
 (1) This device may not cause harmful interference, and  
 (2) This device must accept any interference received, including interference that may cause undesired operation. FCC ID: 2A6N7-7610

MODEL: 8181

**FitRx PRO**  
**PRECISION MULTI-ANGLE MASSAGER**  
 MODEL:8181| BATTERY: LI-ION 2000 MAH | RATED INPUT VOLTAGE: 5V  
 RATED INPUT CURRENT: 2A | SPEED: 1200 - 3200RPM  
 MADE IN CHINA | S/N: XXXXXXXXXX

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with part 15 of the FCC Rules and Industry Canada license-exempt RSS standard (s). Operation is subject to the following two conditions:  
 (1) This device may not cause harmful interference, and  
 (2) This device must accept any interference received, including interference that may cause undesired operation. FCC ID: 2A6N7-7610

MODEL: 8299

**FLEX ELITE FITNESS**  
**MULTI-ANGLE PRECISION MASSAGER**  
 MODEL:8299| BATTERY: LI-ION 2000 mAh | RATED INPUT VOLTAGE: DC 5V  
 RATED INPUT CURRENT: 2A | SPEED: 1800 - 3200RPM  
 MADE IN CHINA | S/N: XXXXXXXXXX

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
