Damai

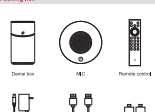
Product specification

Product name:	ENJOYBOX 3 Conf Meeting
Model number:	DE3140US
CPU:	Quad core Cortex-A53
OS:	Android 9.0
RAM:	2GB
Flash:	8GB
POE:	12V ⎓ 1A
Work Environment:	work temperature: 0°C ~+40°C humidity: <90% RH storage temperature: -40°C ~+60°C humidity: <95% RH

Friendly reminder:

- The mobile HDD connected USB port and the requirements of external mobile HDD output current should not be more than 1A 500mA, otherwise the protection circuit will be activated, HDD cannot be identified.
- Device needs a minimum of 10cm surrounding gap, do not cover with newspaper and other objects.
- Device is not waterproof, Objects such as vase ⚠ with liquid should not be placed on top of the device.
- Please place the product away from moisture, sun exposure, high temperature and objects with magnetic fields.
- Please avoid scratches and damages on the casing and interface, avoid dropping or throwing the product, which may cause damage to internal circuit boards.
- Please use the exclusive power adapter, to prevent excessive current and other reasons, such as damage to the motherboard and important components.
- Please do not disassemble or repair the product, the maintenance work is limited to the company's authorized staff only.

Packing list



Connecting Interface
