

### 1.Charging your speaker.

Insert USB cable into the PC or the standard USB power adapter or car charger,insert the charger plug into the speaker charger port.The bright red light indicates it is charging.The red light off indicates the battery is charged.Disconnect the charger and the device,and product is ready for use.Full charging time is about 4 hours.

### 2.Play music.

When power is off,press the PowerSwitch/Mode Switch about 3 seconds to power on,then the speaker will have a voice prompt indicating power is on.

### 3.Wireless Pairing.

When the wireless indicator light flashes frequently, that indicates the speaker is in pairing mode.Select "K03"from your devices wireless setting,click to pair.The speaker will pair automatically.Once the connecting is successful ,the speaker will have a voice prompt .If the speaker does not pair within five minutes,the speaker will enter Standby Mode.

### Considerations :

Operating Temperature: -10° C to 40° C.  
This device was tested for typical body-worn operations. To comply with RF exposure requirements, a minimum separation distance of 0cm must be maintained between the user's body and the handset, including the antenna. Third-party belt-clips, holsters, and similar accessories used by this device should not contain any metallic components. Body-worn accessories that do not meet these requirements may not comply with RF exposure requirements and should be avoided. Use only the supplied or an approved antenna.  
This device in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. All essential radio test suites have been carried out.  
1.Caution: Risk of explosion if battery is replaced by an incorrect type.Dispose of used batteries according to the instructions.  
2. The device complies with RF specifications when the device used at 5cm from your body.

This device complies with part 15 of the FCC Rules. Operation is subject to the condition that this device does not cause harmful interference (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

To maintain compliance with FCC's RF Exposure guidelines, This equipment should be installed and operated with minimum distance between 20cm the radiator your body: Use only the supplied antenna.

### Specification :

Bluetooth version	4.2
Operateing Range	10m
Control	Button
Channel	Single
Output Power	5W
SNR	≥ 85dB
Microphone	Yes
Audio	MP3、WMA、WAV
Battery capacity	1500mAh 3.7V
Play time	6~8H
Material	Plastic+Silicone
Product size	107*86*34mm
N.W	195g
Color	Option

### Charge before use.

**⚠ WARNING** Always confirm that the temperature is 5°-40°c before you charge the battery.Please send it to professionals if there is something wrong.Do not overhaul by yourself.
