Columbia, MD 21046

Subject: RF Justification Letter-Class II Permissive Change for FCC ID: 2AOSO1M01831

This letter confirms that the module (original FCC ID Z64-WL18SBMOD, changed FCC ID: 2AOSO1M01831 is identical to the device originally approved by the commission on Feb 3, 2014 with the following exceptions:

- This host uses only one antenna and the antenna will have (0.38 dB) higher gain than the original filing. The details of the antenna are contained within this filing.

The change above is external to the module with in the host and is not accessible and adjustable by the end user.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Kurt Kessel'.
