

This document describes the white product label of the Smart Badge Tracker

Item Number	Des	units	MFG
N260562101	Product label (40mmx 24mm) Resistant to water/humidity and high temperature Thermal Transfer Polyester Label Material	1	

Note:

1. The DEVEUI number is the unique device ID given to every PCBA at final test and the product label on the casing MUST match the deveui number on the PCBA. The QR code represents the DEVEUI, minimum size 10x10mm more if possible
2. SKU will be modified if there is a change in the hardware
3. The certification is registered with a model name U310
4. Manufacturing batch is based on a production release date, the format is "YYWW"
5. Those labels will be updated in the future as we get devices certified in new regions
6. The bin height is more than 7mm (see picture with a=3.33mm)

2	02	10 AUG 20		Update label with manufacturing batch and remove pcba p/n	S. Boudaud	Vanitha
