

Brad Alcorn  
1321 15<sup>th</sup> Street  
Denver, CO 80202

To whom it may concern:

The operation of the Rachio3 Smart Water System Sprinkler Controller in the 2.4GHz band is limited to 802.11bgn channels 1 – 11 via device firmware. Hardware cannot be set to operate on channels 12 and 13 by the end user.

Sincerely Yours,

Brad Alcorn  
Director, Hardware Development  
Rachio, Inc.
