Federal Communications Commission 2018-02-11

Oakland Mills Road
Columbia MD 21046

Subject: Electronic Label Letter

FCCID: 2A0UD-TP00098A

To Whom It May Concern:

Pursuant to the provisions of KDB 784748 D02 e labeling v01, we hereby provide the following statement:

This device has an integrated display screen that can present the required label information electronically (e-label) in lieu of a physical label or nameplate.

Information can be accessible with three Steps:

Restart the computer > When the logo screen is displayed, press Fn+F9 > The E-label screen is displayed.

The end user can access the electronic label without requiring special access codes or permissions.

Devices do not require special accessories or supplemental plug-ins (e.g., the installation of a SIM/USIM card) to access the information.

The information of electronic label is programmed by Lenovo, and can't be modified by any third party.

If have any questions concerning the above, please contact the undersigned.

Best Regards
