Video Resolution	Video resolution 480i/p, 576i/p, 720p, 1080i/p and 4Kx2K
Power	
DC Input Range	5V/2.0A
Power Consumption	Maximum 10 W

SAFETY INFORMATION

NOTICE: To prevent fire and electric shock, do not expose this receiver to rain or moisture. In order to avoid any possible risk of electric shock, never attempt to open the unit. In case of the unit breaking down, repair of the unit should be carried out by qualified technicians. No part of this unit should be repaired by users.

WARNING!

- Presence of live parts inside the unit! Do not open. Risk of electric shock! No part should be repaired by users.
- Place the receiver on a flat, firm and stable surface. Do not put it on a carpet or rug.
- Place the receiver in a well-ventilated location to prevent accumulation of internal heat.
- Protect the receiver from high temperatures, humidity, water and dust.
- Do not place any objects that might damage your unit near it (e.g. liquid filled objects or candles).

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

REMOTE CONTROL

ANDROID TV

Follow the on-screen instructions using your remote to navigate through

Complete the on-screen setup

the setup process.

Google Assistant

With the Google Assistant built in, you can quickly access entertainment, get answers and control devices around your home. Find the latest blockbuster, check the score of the big game or dim the lights. Just press the mi button on your remote to get started.

Welcome
