

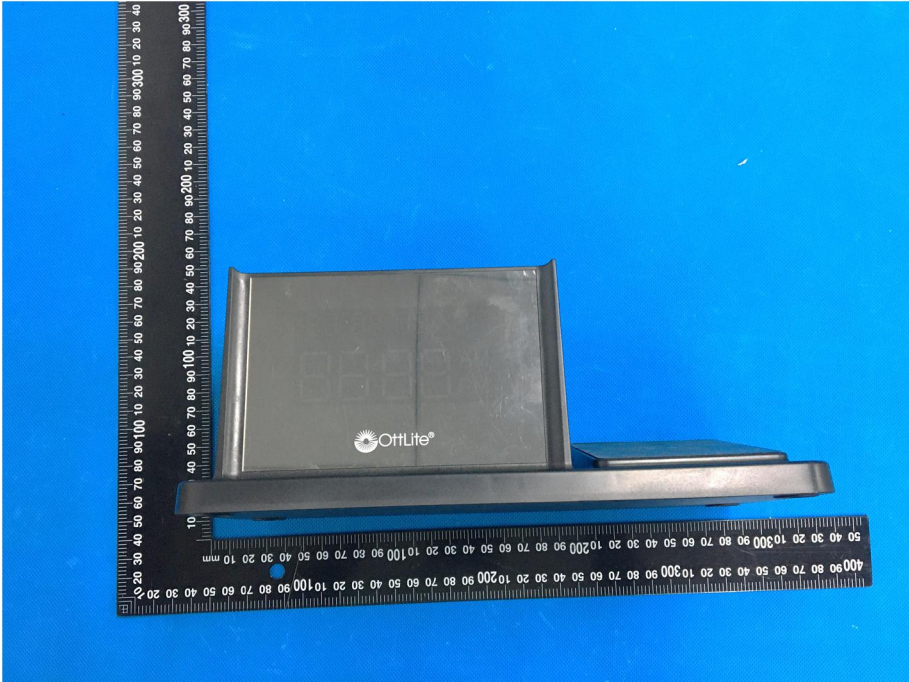

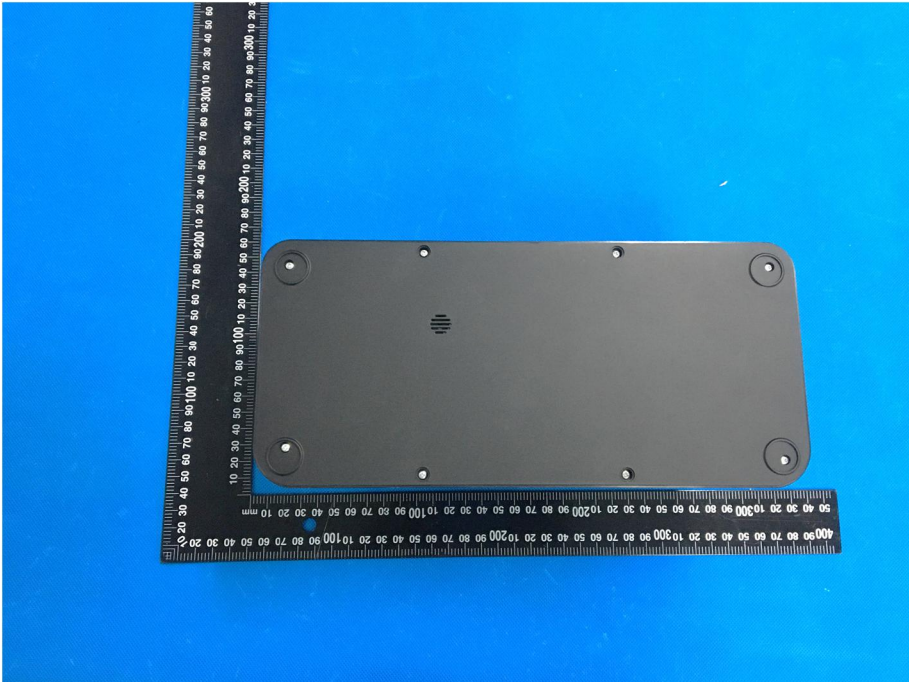

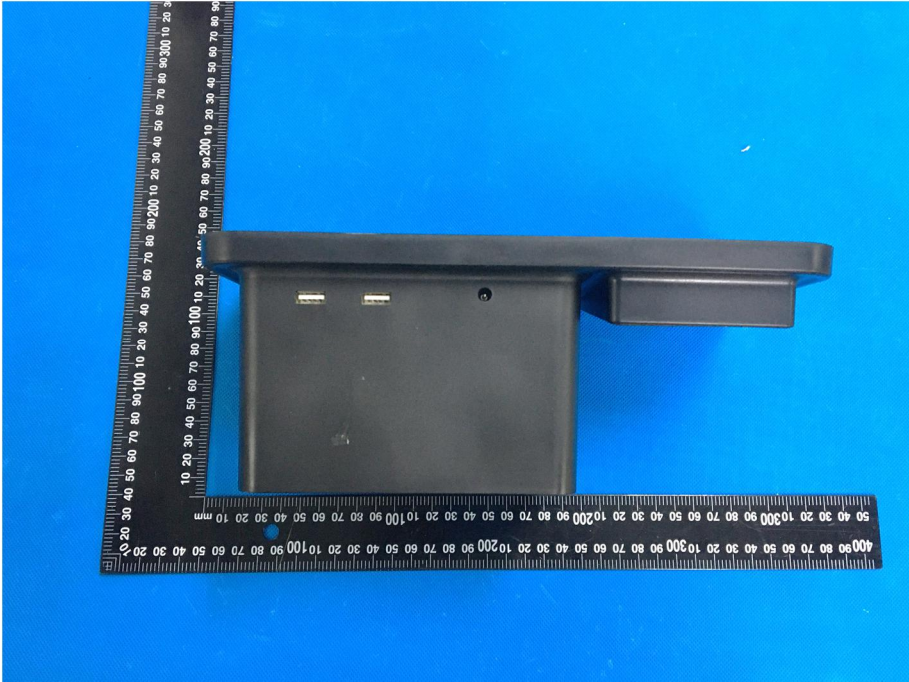

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black electronic device, likely a power supply or charger, is shown from a top-down perspective. It has two rectangular openings on the left side and a power cord on the right. A ruler is placed horizontally below the device for scale. The device is black and has a power button on the right side.
EUT View 2	 A black electronic device, similar to the one in View 1, is shown from a top-down perspective. It has two rectangular openings on the left side. A ruler is placed horizontally below the device for scale. The device is black and has a power button on the right side.

EUT View 3	 A top-down view of a black, rectangular electronic device. The device has a slightly raised front edge and a recessed back edge. In the center of the top surface, there is a small, square, recessed area containing the 'OffLife' logo. The device is placed on a blue background. A black ruler with white markings is positioned horizontally below the device, showing measurements in millimeters and centimeters. The ruler is oriented vertically in the image, with the 0 mark at the top and the 100 mm mark at the bottom.
EUT View 4	 A bottom-up view of the same black, rectangular electronic device. The device is shown from its underside, which features four circular mounting holes, one in each corner. The 'OffLife' logo is visible in the center of the bottom surface. The device is placed on a blue background. A black ruler with white markings is positioned horizontally below the device, showing measurements in millimeters and centimeters. The ruler is oriented vertically in the image, with the 0 mark at the top and the 100 mm mark at the bottom.

EUT View 5	 A black rectangular electronic unit (EUT) is shown from a top-down perspective. It has a horizontal slot on the right side. The unit is placed on a blue background with a ruler for scale. The ruler shows dimensions in millimeters and centimeters.
EUT View 6	 A black rectangular electronic unit (EUT) is shown from a side perspective. It has a vertical slot on the left side. The unit is placed on a blue background with a ruler for scale. The ruler shows dimensions in millimeters and centimeters.
