End user can access to product-related website, a reference (URL) to obtain the website information is provided at the time of purchase in the user manual, operating instructions, packaging material, quick guide pamphlet, etc.

Readability of Regulatory Information

Information	on E-label	In Manual
FCC ID number	Yes	No
FCC logo	No	No
15.19 statement (“This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.”)	No	Yes
Class A / B Digital Device user manual statements	No	Yes
Caution to the user that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment	No	Yes

FCC Compliance Statement. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note. This equipment has been tested and found to comply with the limits for a Class B digital device or external switching power supply, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help.

Pursuant to Section 15.21 of the FCC rules, changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

The party responsible for FCC compliance is: Spotify USA Inc., 4 World Trade Center, 150 Greenwich Street, 62nd Floor, New York, NY 10007, USA. If you wish to contact Spotify visit support.spotify.com.

Above info which is displayed electronically is clearly readable. Not requiring an aid to magnify text. Please see below e-label screen.
