

FCC ID eLabel for Heart Watch Model Number WA001B1 and WA001B2

FCC ID 2AP3M-W110

Heart Watch has built-in, non-removable display. Hence per FCC guidance document 784748 D02 e labeling v02, this product can have e-Label.

The e-Label can be accessed from the Watch Main Screen in following steps:

Step 1: Go from Main Screen to “System” screen.

Step 2: Go from “System” Screen to “Watch Info” sub-menu

Step 3: Scroll down to display “Regulatory Info”
