

**CF78BLE Bluetooth Electronic Scale**  
**Digital Scale Specialist**

Thank you for choosing Digital Scale Specialist.  
This special blend of Bluetooth and precision measurement makes these scales more accurate by taking advantage of the technology available in your smartphone. The Bluetooth connectivity within the body of the scale sends accurate weight data through the body to transmit the overall measurement which is displayed on your smartphone. The Bluetooth connectivity matches the water in the body.

Get the most from your scale by using
