17th October 2018

Subject: FCC Application Letter

Model: FS-EH-02

FCC ID: 2AP4G-FS-EH-02

To whom it may concern:

This letter is a request for original certification approval under FCC 15.247 for a wireless data transceiver (EkkoHub) operating at 915MHz. The EkkoHub is used in conjunction with EkkoSensors which are being approved separately.

Kind regards,

David Corder
Head of Engineering
