Subject: Professional Installation of EkkoAir

Model: FS-EH-03

FCC ID: 2AP4G-FS-EH-03

To ensure compliance with Section 15.203 the EkkoHub model FS-EH-03 can only be professionally installed. This is ensured by:

- 1) The EkkoHub is not available to consumers because it is only sold as part of Data Centre monitoring system using EkkoSense's EkkoSoft software. The EkkoHub is never sold as a standalone piece of hardware and has no functionality without integration to EkkoSoft.
- 2) The EkkoHub is not marketed or sold via retail to the general public or by mail order. It is only sold to authorized and trained installers to deploy as part of a complete Data Centre monitoring system.
- 3) Only suitably qualified professional installers are permitted to access Data Centres which are highly secure areas.

Training is provided to all dealers deploying EkkoSense products. This training includes the methods for installing the EkkoHub and ensuring that only the approved antennas are used.
