<p>Dual Listening Open Ear Headphones OPENEAR Sextet User Manual</p> <p>FCC Warning Statement Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can receive radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: ... Reorient or relocate the receiving antenna. ... Increase the separation between the equipment and receiver. ... Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. ... Consult the dealer or an experienced radio/TV technician for help. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.</p>	<p>How to Wear</p>  <p>What's in the Box</p> 	<p>Specifications</p> <p>Model: OPENEAR Sextet Type: Bone conduction wireless headset BT Version: 5.2 Connection: <math>\approx 10\text{m}</math> Battery: 180mAh Play Time: ≈5h(80%volume) Charging Time: ≈2h Charging Voltage: DC 5V Waterproof: IPX5 rating</p> 	<p>Button Control</p>  <p>Power On/Off</p> <p>Power On: press & hold the MFB for 3 sec, prompt: power on; Power Off: press & hold the MFB for 3 sec, prompt: power off.</p> 	<p>BT Connection</p> <p>The headset enters BT mode automatically when powered on.
