

FCC declaration letter

We ShenZhen Century Cloud Core Technologies Limited statement:

Product: Router miner

Model Name: R3_LTC, R3_DASH, R3_SIA

FCC ID: 2APAA-R3LTC

The R3_LTC product uses the Qualcomm Atheros QCA9531 chip, witch is a highly integrated and cost effective IEEE 802.11n 2x2 2.4GHz System-on-a-Chip (SoC) for wireless local area network WLAN platforms and supports B/G/N(20)/N(40). However, the product only uses N(40) in actual use, and other modes has been disabled.
