

FRONT

FOLD IN ZIG-ZAG

FRONT COVER

1 Fully charge your Mymnu CLIx® Earbuds before pairing. Insert earbuds into the charging case and close it. The charging case LED indicates full flash red while earbuds are charging. LED will stop on when fully charged. Charge Mymnu CLIx® for at least one hour before using.

2 Insert both earbuds into your ears securely. The earbuds will power on automatically when taken out of the case. Left and right earbuds connect to each other automatically. Right earbuds LED will flash when connecting with left side and will turn off when connected. The left side will keep on flashing indicating pairing mode.

3 Connect Mymnu CLIx®. Go to the Bluetooth menu on your device and select Mymnu CLIx. You will hear a connection tone when your earbuds are paired.

4 Do more with Mymnu CLIx® Applications. Download Mymnu Play and Mymnu Translate from the App store or Google play store.

BACK COVER

The diagram illustrates the components and controls of the Mymanu C140 Smart Bluetooth Wireless Earbuds. It is divided into five main sections:

- EARBUDS:** Shows the front and back views of the earbuds. The front view highlights the LED indicator, touch control, charging contact, front microphone, rear microphone, and ear tip. The back view highlights the LED indicator, touch control, charging contact, front microphone, rear microphone, and ear tip.
- CHARGING CASE:** Shows the top and bottom views of the charging case. The top view highlights the case battery LED indicator, opening button, USB-A output, case battery status check button, micro-USB input, exclusive charging LED indicator, and charging contact. The bottom view highlights the charging contact.
- CONTROLS:** Shows the left and right earbuds with their respective controls. The left earbud controls include Single Tap (Play/Pause, Talk or end call), Double Tap (Next track), Triple Tap (Previous track), and Tap and Hold (Translate). The right earbud controls include Single Tap (Volume up), Double Tap (Volume down), Tap and Hold (Activate Siri or Google Now), and Release when you finish your sentence and let the App translate.
- TRANSLATE:** Shows the Translate app interface. It includes a section for "For more information visit" with a link to www.mymanu.com/support. It also includes a section for "Mymanu C140 Smart Bluetooth Wireless Earbuds" with a link to www.mymanu.com/support. The app interface shows a list of languages and a "Translate" button.
- Mymanu C140 Smart Bluetooth Wireless Earbuds:** A small image of the earbuds and charging case.
