

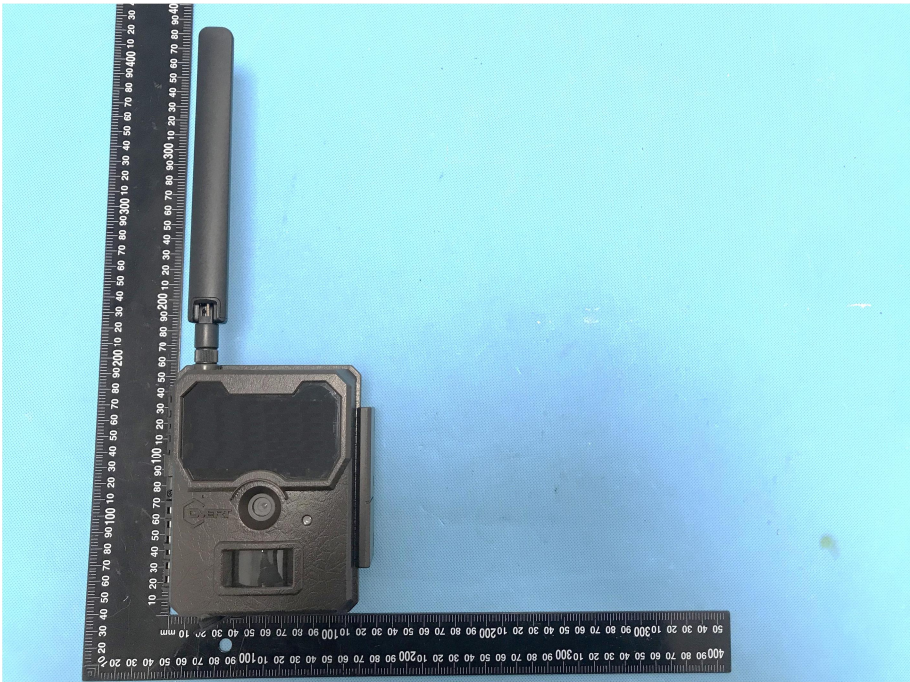

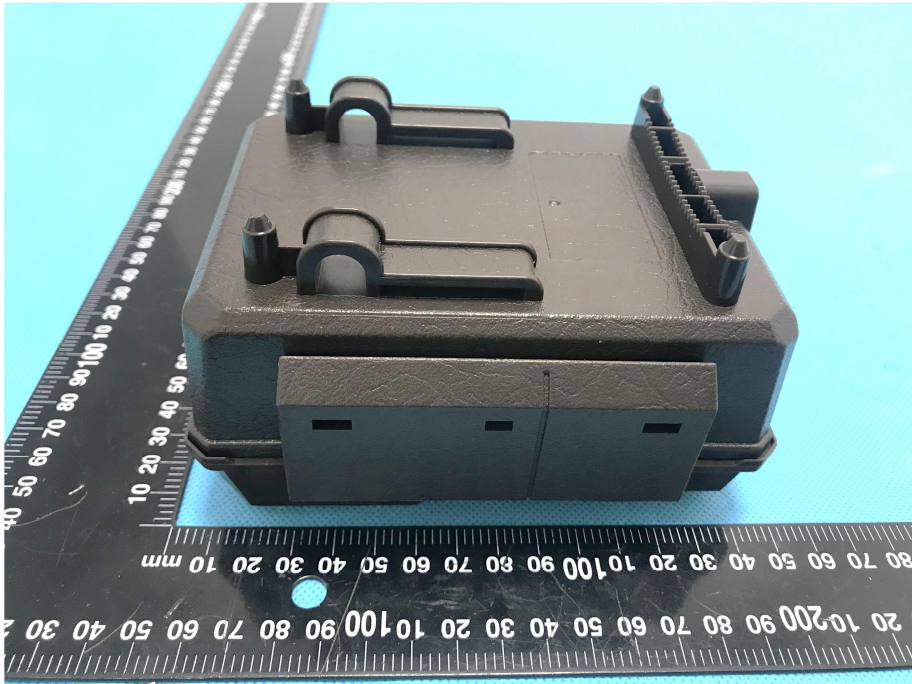

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the front of a black, rectangular electronic device. A long, thin, black antenna extends vertically from the top. The device has a small, dark, rectangular screen or sensor area in the center. It is placed on a light blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top and the 100 mm mark at the bottom. The device is positioned between the 100 mm and 150 mm marks.
EUT View 2	 A photograph showing the back of the same black electronic device. It features two large, rectangular mounting brackets on the left side and a small, circular connector or port on the right side. The device is placed on a light blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top and the 100 mm mark at the bottom. The device is positioned between the 100 mm and 150 mm marks.
