LIMITED WARRANTY

General:

Aduro Technologies warrants the product, and only the product, against defects in materials and workmanship under normal use "defect" for a period of 2 Years from the date of retail purchase by the original purchaser ("warrantyPeriod"). Under this limited Warranty, if a defect arises and a valid claim is received by Aduro Technologies within the Warranty Period at its option and to the extent permitted by law, Aduro Technologies will either: 1. repair the product at no charge, using new or refurbished replacement parts--or 2. exchange the product with a new or refurbished product. In the event of a defect, to the extent permitted by law, these are your sole and exclusive remedies. A replacement product or part assumes the remaining warranty of the original product or ninety (90) days from the date of replacement or repair, whichever is longer. When a product or part of the product is exchanged, any replacement item becomes your property and the replaced item becomes Aduro Technologies's property. Parts provided by Aduro Technologies in fulfillment of its warranty obligation must be used in products for which warranty service is claimed.

Exclusions & Limitations:

This Limited Warranty applies only to the product manufactured by or For Aduro Technologies that can be identified by the "Aduro Technologies trademark, trade name, or logo affixed to it" "The Limited Warranty does not apply to any (a) ERIA products and services other than the product, (b) non-AduroLight hardware product, (c) consumables (such as batteries), or (d) software, even if packaged or sold with the product or embedded in the product. Refer to the licenses accompanying the software for details of your rights with respect to its use. Aduro Technologies does not warrant that the operation of the product will meet your needs or requirements or be uninterrupted or error free.

-03-

Aduro Technologies is not responsible for damage arising from failure to follow instructions relating to the Product's use or from failures resulting from inadequate electrical supply or internet access. This warranty does not apply to a product or part of the product that has been altered or modified (e.g. to alter functionality or capability) by anyone who is not a representative of Aduro Technologies or if the product is inserted or installed in a casing not provided by Aduro Technologies. In addition, this Limited Warranty does not apply to Defects or damage caused by (a) use with non-AduroLight lights, (b) accident, abuse, misuse, flood, fire, earthquake or other external causes or abnormal conditions; (c) operating the product outside the permitted or intended uses or conditions described by Aduro Technologies or with improper voltage or power supply; or (d) service (including upgrades and expansions) performed by anyone who is not a representative of Aduro Technologies. Recovery and reinstallation of software programs and user data are not covered under this Limited Warranty. This Limited Warranty does not cover the cost of returning the product to Aduro Technologies, this is your responsibility. No Aduro Technologies reseller, agent, or employee is authorized to make any modification, extension, or addition to this Limited Warranty. If any term is held to be illegal or unenforceable, the legality or enforceability of the remaining terms shall not be affected or impaired.

-04-

Exclusive warranties:

The Warranties set forth herein are the exclusive Warranties Provided by Aduro Technologies. And except to the extent prohibited by applicable law, all other warranties, whether express or implied warranties (including warranties of merchant ability, fitness for a particular purpose and non infringement) are hereby excluded.

Limitation of damages:

Except to the extent prohibited by applicable law, Aduro Technologies shall not be liable for any incidental, indirect, special, or consequential damages resulting from any use of the product or breach or express or implied warranty or condition, or under any other legal theory. Aduro Technologies liability for damages resulting from any use of the product or breach of express or implied warranty or condition, or under any other legal theory will be limited to the original cost paid for of the defective product.

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.
- This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
