

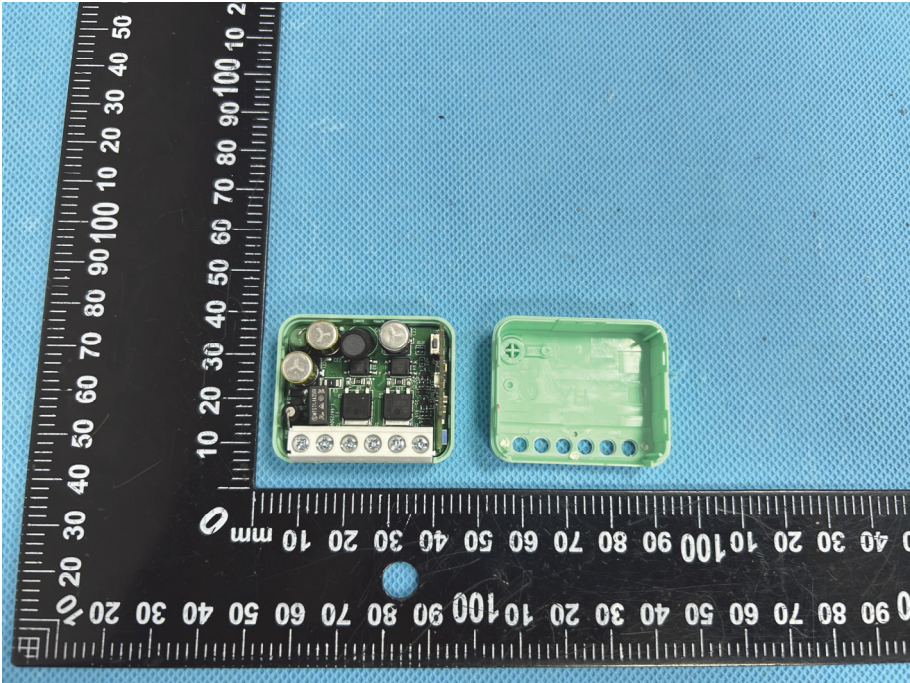

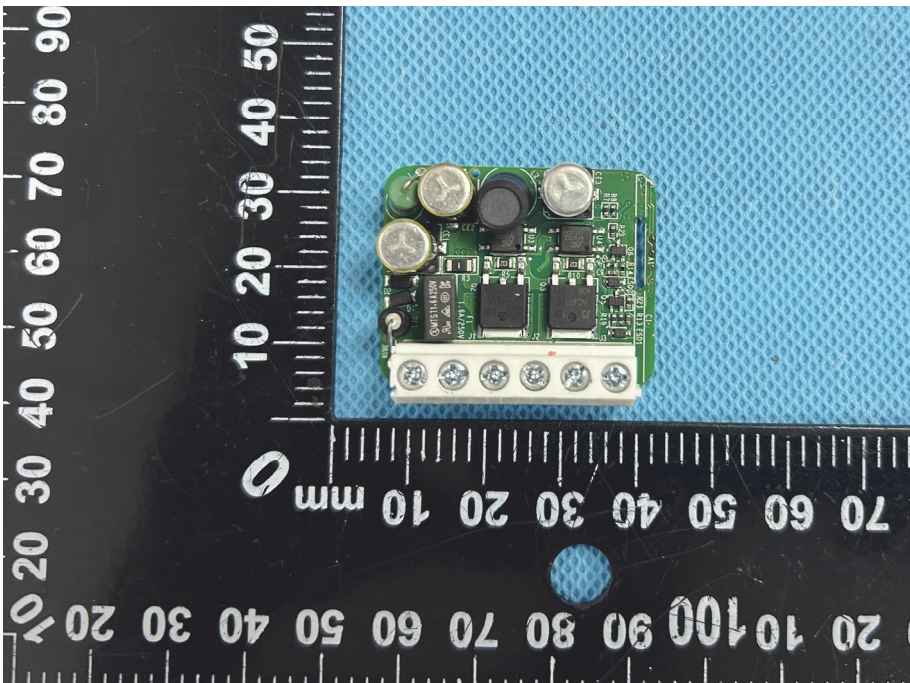

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>EUT Housing and Board View 1</p>	 <p>A photograph showing the EUT housing and board. The housing is a light green plastic tray with four circular holes on the bottom. The board is a green PCB with various components, including three silver cylindrical capacitors, a black component, and a white terminal block with five pins. A black ruler with white markings is placed next to the components for scale. The ruler shows measurements in millimeters, with markings every 10 mm and sub-markings every 1 mm. The background is a blue textured surface.</p>
<p>Solder Board-Component View 1</p>	 <p>A close-up photograph of the solder board-component. The board is a green PCB with various components, including three silver cylindrical capacitors, a black component, and a white terminal block with five pins. A black ruler with white markings is placed next to the component for scale. The ruler shows measurements in millimeters, with markings every 10 mm and sub-markings every 1 mm. The background is a blue textured surface.</p>
