Cambridge Consultants Ltd
29 Science Park
Milton Road, Cambridge, CB4 0DW, UK

To Whom It May Concern:

I, the undersigned, hereby authorize Cambridge Consultants Ltd to act on behalf of SmartSky Networks, LLC ("SmartSky"), in all manners relating to applications for equipment authorization by the FCC, ISED and TUV (TCB), including signing of all documents relating to those applications. Any and all acts carried out by Cambridge Consultants Ltd on behalf of SmartSky concerning those applications for equipment authorization shall have the same effect as acts of SmartSky's own.

This authorization only applies to the following SmartSky product:

Description	Assembly Number
Aircraft Base Radio (ABR)	3243489-201

I, the undersigned, hereby certify that SmartSky is not subject to a denial of federal benefits, that includes FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853(a).

In authorizing Cambridge Consultants Ltd as SmartSky's representative as set forth above, SmartSky still recognizes that it is responsible to:

- a) fulfill the requirements for the scope of certification requested, including implementing any appropriate changes requested by TUV (TCB) and / or the FCC or ISED;
- b) supply any and all information needed for the evaluation of the products for which certification is sought;
- c) make claims regarding certification only in respect of the scope for which certification has been granted;
- d) not use its product certification in such a manner as to bring the TCB, FCC or ISED into disrepute and to not make any statement regarding product certification which the TCB, FCC or ISED may consider misleading or unauthorized;
- e) discontinue use of all advertising matter that contains any reference thereto and complies with any and all actions required by the FCC, ISED or TCB upon suspension or cancellation of certification;
- f) use certification only to indicate that products are certified in conformity with specified standards;
- g) endeavor to ensure that no certificate or report or any part thereof is used in a misleading manner, and any copies of the grants/certificates shall be reproduced in their entirety;
- h) comply with the requirements of the TCB, FCC or ISED, including the use of marks and label information prescribed for the scope of certification, when making reference to product certification

430 Davis Drive, Suite 350, Morrisville, NC 27560

- in communication media such as documents, brochures or advertisements;
- i) comply with the requirements for certification, supply any information needed for evaluation of products to be certified and, where applicable, make provision for the participation of observers;
 - j) ensure that products marketed under the scope of the requested certification continue to comply with the certification requirements;
 - k) provide a sample of a production unit for testing within 30 days of the request should that product be selected as part of either the TCB's, FCC's or ISED's market surveillance requirements;
 - l) keep a record of all complaints relating to the product's compliance with requirements of the relevant TCB, FCC or ISED standards; make records available to TCB, FCC or ISED when requested; take appropriate action with respect to such complaints and any deficiencies found in the product that affect compliance with requirements for certification; document the actions taken with respect to complaints and/or deficiencies; and
 - m) inform the TCB, FCC and ISED immediately of any changes that may affect SmartSky's ability to comply with the certification requirements.

This authorization is valid until written notice of modification or termination is issued by SmartSky.
