

EUT Photos-External

 A top-down view of the EUT-Telesto device. The device is a blue, rectangular unit with a slightly curved top. It features the 'XILTRIX' logo in large, light blue letters, with 'REGISTRATION / MONITORING / ALARM SYSTEM' and 'CALYPSO' printed below it. Two white labels are affixed to the top: 'PROTOTYPE 916 MHZ' and 'FCC CERTIFICATION'. A yellow ruler is placed horizontally below the device, showing a width of approximately 10.5 inches.	 A front view of the EUT-Telesto device. The blue casing shows the 'XILTRIX' logo and 'CALYPSO' branding. The bottom edge features a series of black connectors and ports. A yellow ruler is positioned below the device, indicating a width of about 10.5 inches.
