

Differences between the statement

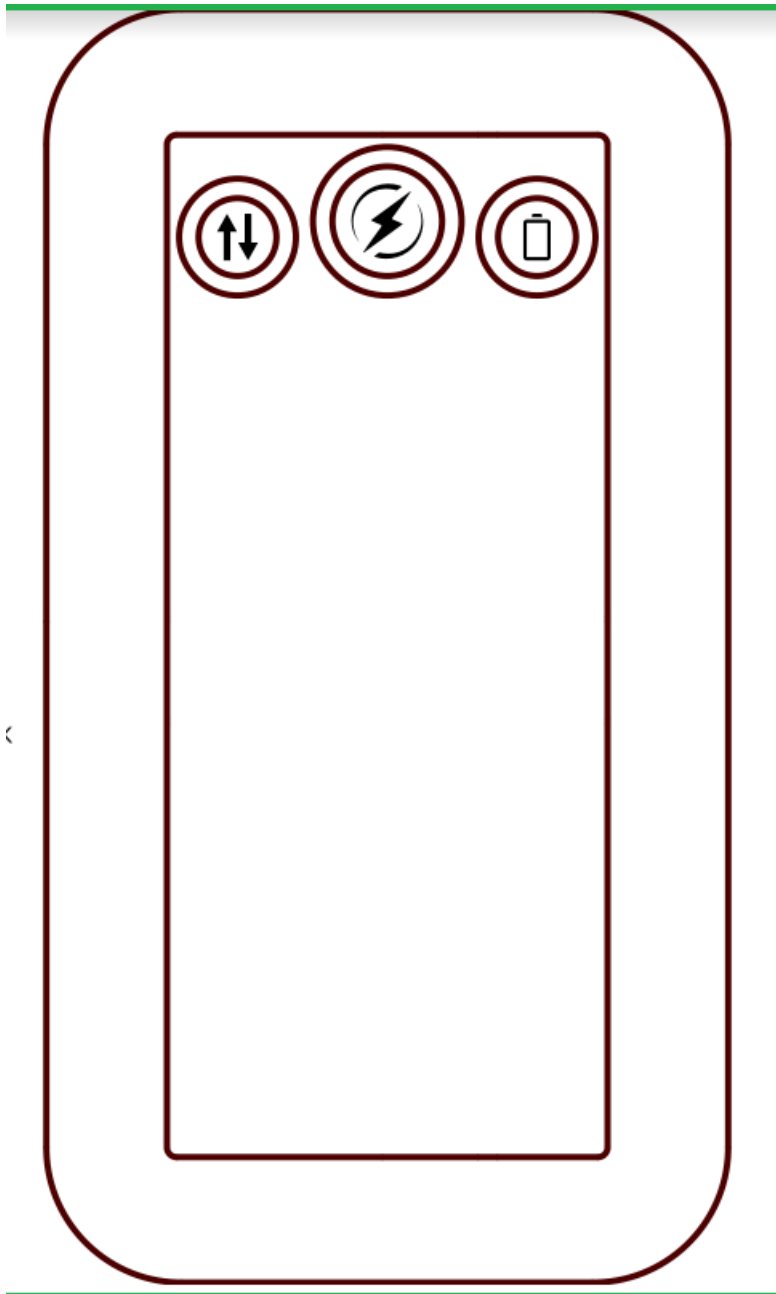

The POCKET has two printing patterns

1# TOP enclosure differences

RENEW POCKET has micro SD, WiFi, battery, Logo and product name printing patterns.

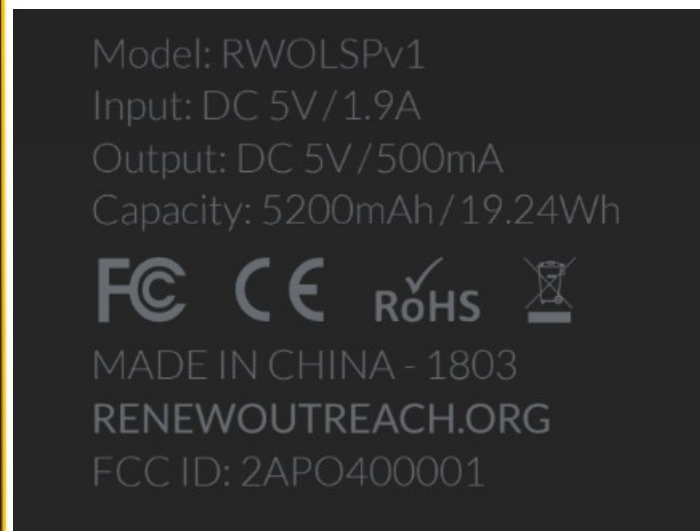

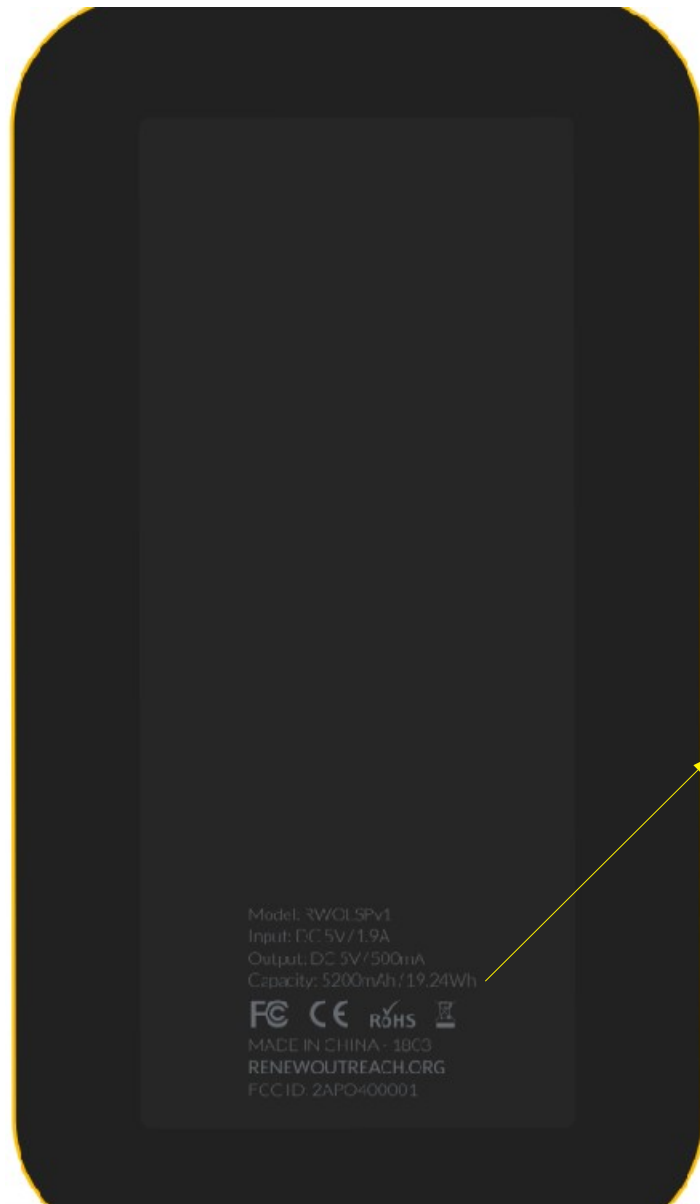

GENERIC POCKET has data loading, lightning and battery printing patterns

2# Bottom enclosure differrences

RENEW POCKET

It will print the FCC ID: 2APO400001 and RENEWOUTREACH.ORG on the bottom case.

GENERIC POCKET

It will stick a FCC ID label on the bottom case. And it hasn't the RENEWOUTREACH.ORG
