

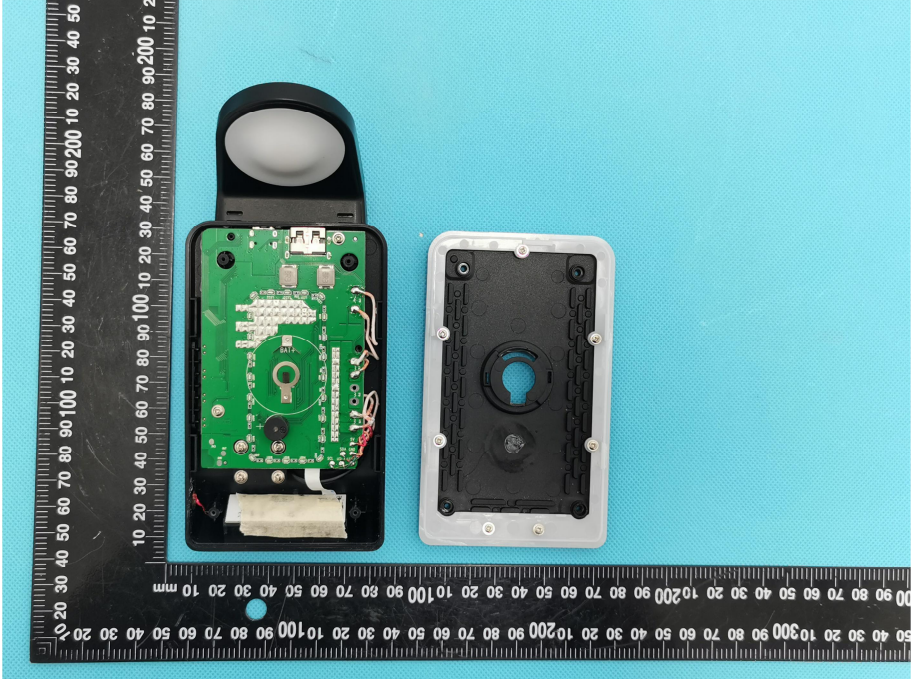

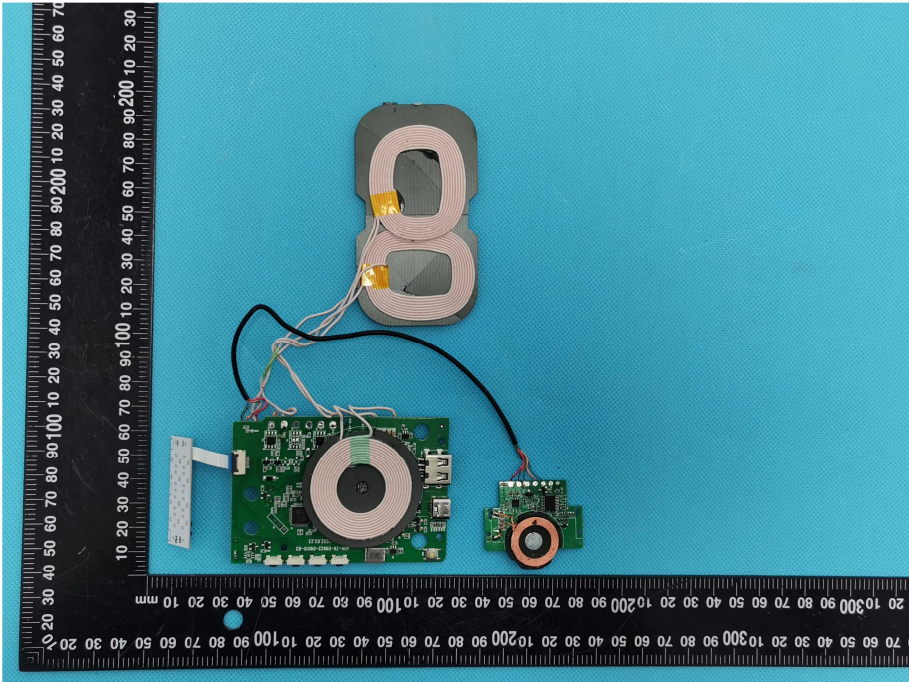

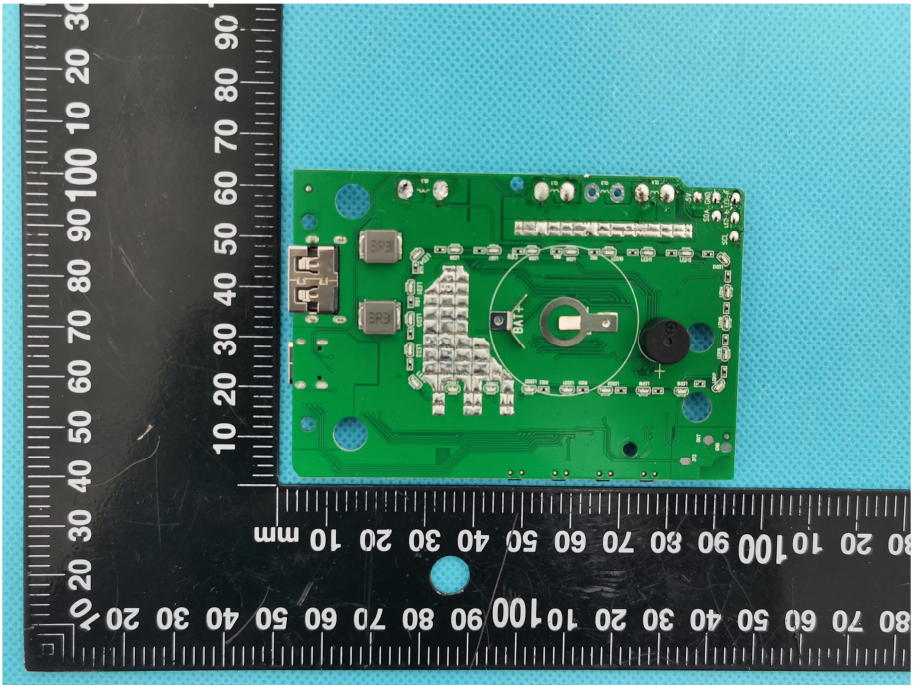

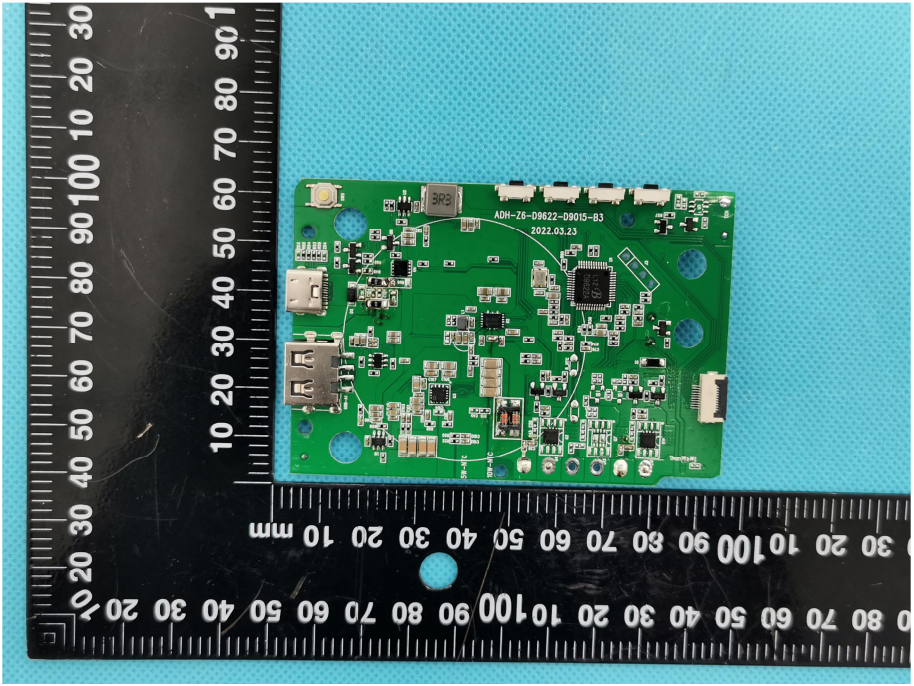

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>EUT Housing and Board View 1</p>	
<p>EUT Housing and Board View 2</p>	

<p>EUT Housing and Board View 2</p>	 <p>A photograph showing the EUT housing and board assembly. The housing is black and partially disassembled, revealing the internal board. A black ruler is placed vertically and horizontally for scale. The background is a light blue surface.</p>
<p>Solder Board-Component View 1</p>	 <p>A photograph showing the soldered board components. The main board is green and features a large circular component. A smaller board is connected to it. A black ruler is placed vertically and horizontally for scale. The background is a light blue surface.</p>

<p style="text-align: center;">Solder Board-Component View 2</p>	 <p>A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 2'. The board is rectangular and populated with various electronic components, including a central integrated circuit (IC) with a circular pad, several resistors, capacitors, and a USB connector on the left side. A circular pad is labeled 'BAT+'. The board is placed on a black ruler with white markings for scale, showing dimensions in millimeters. The ruler is oriented vertically on the left and horizontally at the bottom. The background is a light blue textured surface.</p>
<p style="text-align: center;">Solder Board-Component View 3</p>	 <p>A photograph of a green printed circuit board (PCB) component, labeled 'Solder Board-Component View 3'. The board is rectangular and populated with various electronic components, including a central integrated circuit (IC) with a circular pad, several resistors, capacitors, and a USB connector on the left side. The board is placed on a black ruler with white markings for scale, showing dimensions in millimeters. The ruler is oriented vertically on the left and horizontally at the bottom. The background is a light blue textured surface. Text on the board includes 'ADH-Z6-09622-09015-83' and '2022.03.23'.</p>
