Dear Sir/Madam,

Re: Declaration states : EUT uses previously certified module.

We, DLOGIXS CO., LTD declare that the original test report no AGC03817160902FE03 for FCC ID : QECGWBMA1X and Model: GWBMA1x (Bluetooth Wireless module) accurately represents test results under the new application FCC ID : 2APRMNBPS00B10 (Neuro beat Puck NB-PS-00B-10).

The original module GWBMA1x has been integrated in NB-PS-00B-10 and it is as per the original module's application notes with no changes.

Sincerely,

Min kyung Kim / Deputy General Manager  
DLOGIXS CO., LTD.
