

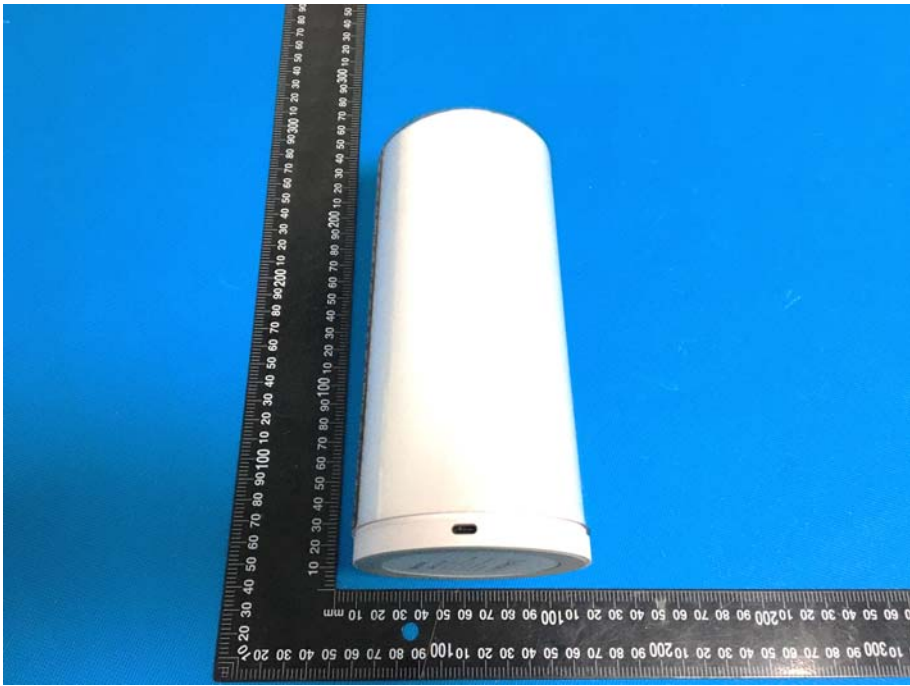

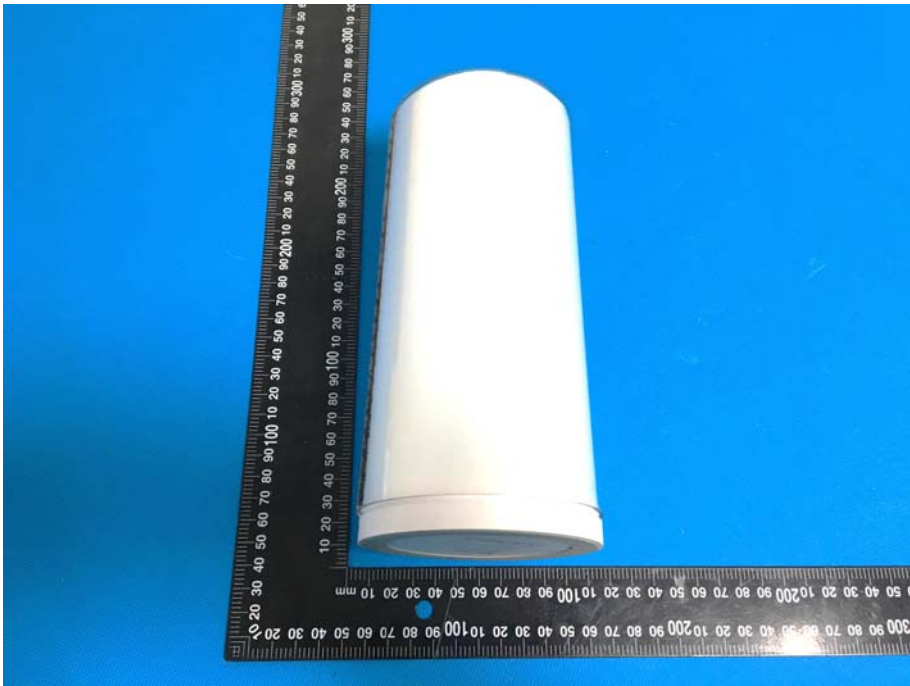

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

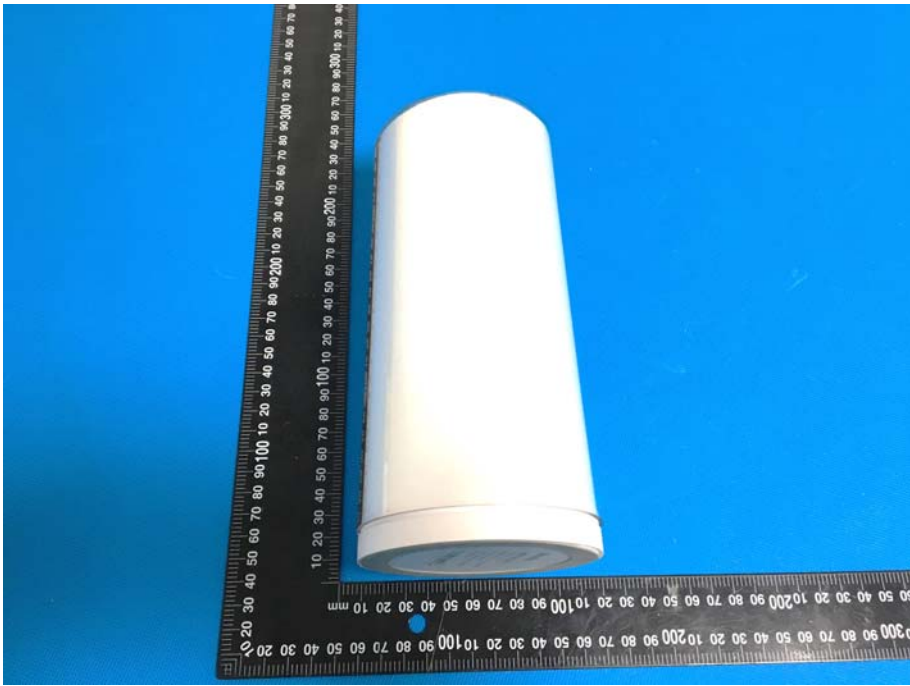

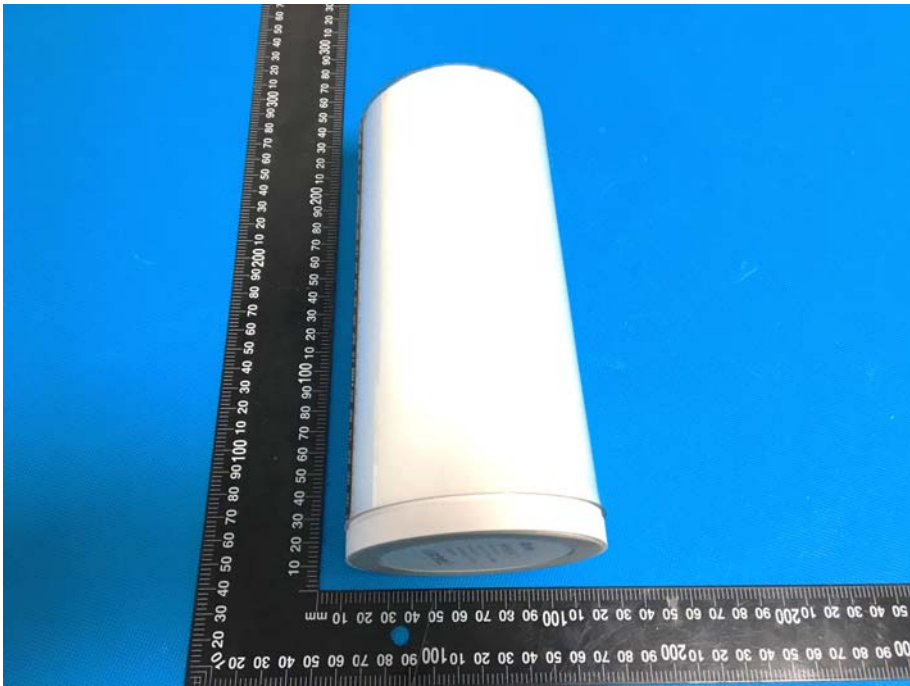

EUT View 1

EUT View 2

<p>EUT View 3</p>	 A photograph of a white, cylindrical electronic unit (EUT) against a blue background. A black ruler is placed vertically to the left of the unit for scale. The ruler has markings in millimeters and centimeters. The unit is oriented vertically, showing its top and bottom surfaces. The bottom surface has a small, dark rectangular feature.
<p>EUT View 4</p>	 A photograph of the same white, cylindrical electronic unit (EUT) against a blue background. A black ruler is placed vertically to the left of the unit for scale. The ruler has markings in millimeters and centimeters. The unit is oriented vertically, showing its top and bottom surfaces. The bottom surface has a small, dark rectangular feature.

<p>EUT View 5</p>	 A photograph showing a white, cylindrical component (EUT) positioned vertically next to a black ruler. The ruler has white markings and numbers, indicating measurements in millimeters. The component is centered vertically relative to the ruler's scale. The background is a solid blue color.
<p>EUT View 6</p>	 A photograph showing a white, cylindrical component (EUT) positioned vertically next to a black ruler. The ruler has white markings and numbers, indicating measurements in millimeters. The component is centered vertically relative to the ruler's scale. The background is a solid blue color.
