Contents:

Before getting started, ensure the package contains the following components:

IMPORTANT SAFEGUARDS

Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.

When using electrical appliances, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and/or injury to persons including the following:

- Do not place foreign items, such as metal objects (including metal cases) magnets, and magnetic cards, between the mobile device and the wireless charger. The mobile device may not charge properly or may get damaged due to overheating.
- When connecting the product to an external charger (not provided), only use approved QC 2.0 / 3.0 charger (5 V $\overline{\text{---}}$ 2 A or 9 V $\overline{\text{---}}$ 1.67 A).
- Keep the product out of reach of children.
- Remove the mobile device from the wireless charger when it is fully charged.
- The product shall not be exposed to dripping or splashing water.

Intended Use

- This product is intended for wireless charging of mobile devices that are Qi certified by WPC (Wireless Power Consortium).
- This product is intended for household use only. It is not intended for commercial use. This product is intended to be used in dry indoor areas only.
- No liability will be accepted for damages resulting from improper use or non-compliance with these instructions.

Before First Use

- Check for transport damages.

⚠ DANGER

Risk of suffocation! Keep any packaging materials away from children – these materials are a potential source of danger, e. g. suffocation.

Operation

- Connect the product to a suitable power supply (USB 3.0 port or QC 2.0 / 3.0 charger) using the provided USB Micro B cable (A).
- Place the mobile device in the middle of the wireless charging surface.
- The indicator light is:
 - blue during the charging process.
 - flashing blue if a non-compatible device or misaligned device has been detected.

**NOTICE**

Wireless charging may not work properly if the mobile device is inside a case thicker than 5 mm. Remove such case before charging.

NOTICE

Fast charge is only available while using QC 2.0 / 3.0 charger (not provided) and is only available for model: B07Q1DBDCV, B07PZ8GHXY.

Cleaning

NOTICE

Unplug the product before cleaning.

NOTICE

Do not immerse the electrical parts of the product in water or other liquids. Never hold the product under running water.

- To clean, wipe with a soft, slightly moist cloth.
- Dry the product after cleaning.
- Never use corrosive detergents, wire brushes, abrasive scourers, metal or sharp utensils to clean the product.

Canada IC Notice

- This **Class B** digital apparatus complies with Canadian **CAN ICES-3(B) / NMB-3(B)** standard.

LEGAL NOTICES

FCC Caution: Changes or modifications not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment.

FCC Statement: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC statement: This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

RSS-Gen & RSS-216 statement: This device complies with Industry Canada licence-exempt RSS standard(s).

Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

RSS-102 Statement: This equipment complies with Industry Canada radiation exposure limits set forth for an uncontrolled environment.

Cet équipement est conforme à l'exposition aux rayonnements Industry Canada limites établies pour un environnement non contrôlé.

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

- (1) This device may not cause interference.
- (2) This device must accept any interference, including interference that may cause undesired operation of the device. This equipment complies with Industry Canada radiation exposure limits set forth for an uncontrolled environment.

French version Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Cet équipement est conforme à l'exposition aux rayonnements Industry Canada limites établies pour un environnement non contrôlé.

Simplified EU Declaration of Conformity

- Hereby, Amazon EU Sarl declares that the radio equipment type [B07Q1DBDCV, B07PZ8GHXY, B07PWYBT27, B07Q1DJ71X] is in compliance with Directive [2014/53/EU](#).
- The full text of the EU declaration of conformity is available at the following internet address:
https://www.amazon.co.uk/amazon_private_brand_EU_compliance

Disposal

The Waste Electrical and Electronic Equipment (WEEE) Directive aims to minimize the impact of electrical and electronic goods on the environment, by increasing re-use and recycling and by reducing the amount of WEEE going to landfill. The symbol on this product or its packaging signifies that this product must be disposed separately from ordinary household wastes at its end of life. Be aware that this is your responsibility to dispose of electronic equipment at recycling centers in order to conserve natural resources. Each country should have its collection centers for electrical and electronic equipment recycling. For information about your recycling drop off area, please contact your related electrical and electronic equipment waste management authority, your local city office, or your house hold waste disposal service.

Specifications

	Item number	Item number
	B07PWYBT27	B07Q1DBDCV
	B07Q1DJ71X	B07PZ8GHXY
Power supply:	USB 3.0 port or QC 2.0 / 3.0 charger	
Power input:	5 V \equiv 2 A	5 V \equiv 2 A 9 V \equiv 1.67 A
Power output:	Max. 5 W	Max. 10 W
Dimensions (Ø x H):	approx. 3.9 x 0.27 in (10 x 0.7 cm)	
Net weight (incl. cable):	approx. 2.9 oz (82 g)	
Protection class:	Class III	
Qi version:	1.2.4	
Frequency:	110 KHz ~ 205 KHz	
Transmission power:	18.95 dBuA/m at 3m distance	22.40 dBuA/m at 3m distance
